MEMORANDUM FOR: MAX FRIEDERSDORF
FROM: VERN LOEN *VL*
SUBJECT: Proposed Bill Signing Ceremony

Rep. M. Caldwell Butler (R. -Va.) is most hopeful that a bill signing ceremony can be held at the Custis Lee Mansion on August 5th for Senate Joint Res. 23, Restoration of the Citizenship Rights to the Late General Robert E. Lee. Senator Byrd (I. -Va.) is the chief sponsor, but Butler did most of the work on the House side.

I explained to him that this would be the first day after the President returns from Europe and, accordingly, would conflict with a backlog of paperwork and other pressing appointments. However, I said I would pass along his suggestion.

MEMORANDUM FOR: ROBERT D. LINDER
THROUGH: MAX FRIEDERSDORF
FROM: VERN LOEN VL
SUBJECT: Attached Memo from Secretary
Dunlop

You referred this memorandum to me for appropriate handling. After discussing the matter with James Cavanaugh, we concluded that it would not be a good precedent to send signing pens and Presidential letters of commendation to the 16 Department of Labor employees cited by Secretary Dunlop.

First, this was not exactly landmark legislation. It was not too difficult to persuade Congress to provide an additional number of weeks of unemployment compensation. Secondly, these appear to be rather low ranking departmental employees. Traditionally, Presidential signing pens and letters have been reserved for Members of Congress, who actually pass the legislation, and high ranking officials of the Departments involved. It cheapens the value of a Presidential signing pen to hand them out without some type of restraint.

Thirdly, the bill was signed at a small Oval Office ceremony on June 30. Thus, this request is rather untimely. Top officials of the Department received their pens at that time, along with those Members of Congress in attendance.

MEMORANDUM FOR THE PRESIDENT

SUBJECT: Recognition for Outstanding Performance

Attached for your consideration is a proposed letter to Department of Labor employees who contributed most significantly to securing enactment of the Emergency Compensation and Special Unemployment Assistance Act of 1975 (P.L. 94-45). This act has provided much needed assistance to our unemployed fellow citizens during this current period of economic slack.

Since it was not feasible for these employees to attend the formal ceremony at the time the bill was signed on June 30, 1975, I strongly recommend sending a personal note of thanks to these individuals listed for their outstanding work on this landmark legislative package.

John T. Dunlop

Secretary of Labor

Attachments

I want to take this opportunity to personally thank you for your significant contribution to the enactment of the Emergency Compensation and Special Unemployment Assistance Act of 1975. Enactment of this significant measure, Public Law 94-45, will provide much needed assistance to our unemployed fellow citizens. This landmark legislation is an excellent example of how the Congress and the Administration can work together to create urgently needed new programs providing added protection for workers in this time of high unemployment.

The legislation which I signed into law on June 30, 1975, represents the only major element of my proposal to be enacted by the 94th Congress. It, however, exemplifies the spirit of cooperation, conciliation and compromise that will be vital to our national well-being in the coming months.

In recognition for your outstanding work on this legislative piece, I am delighted to send you the enclosed signature pen in commemoration of the signing of this important legislation.

The following Department of Labor employees were significant contributors to the enactment of P.L. 94-45.
