The group will arrive in Washington on April 10th and leave on April 12th. To the

Mr. Ron deLugo, V.I. Representative
Washington D.C. 20515

Dear Mr. deLugo:

As a St. Thomas resident, living ~~in~~ at this time in Germany, and a member of the Rotary Club St. Thomas and its sponsored Boy Scouts Troop 100, I like to ask you for assistance for a group of young Germans who are visiting New York and Washington and then St. Thomas, where they were invited from the Boy Scouts Troop 100. A group of this Boy Scouts spent some time with them in Germany last year.

I send to you a schedule and program, also one picture from the Boy Scout-visit in Germany and two pictures of the group who is going to the states in April. I also send a letter to the Rotary Club Washington D.C. 541 Hotel Washington, 15th & Pennsylvania Ave. N.W.

The group (20 young people & adults) will arrive in Washington on Saturday April 10, 5:45 P.M. (at the Airport). They will stay until Monday morning (April 12) and will leave for San Juan P.R. at 9:10 A.M. They want to deliver greetings from the Turnerjugend Wolfenbuttel and Town of Wolfenbuttel for the 200 years celebration. They like to sing and do some folk-dancing. The dream they have is to see the President of the U. S., if it is possible. Please, can you arrange something and lead them in Washington.

If you want to contact the Washington Rotary Club and may be the Boy Scouts to find a place for lodging for the two nights. They do not need comfort and everyone has a sleeping bag.

I also send a letter to Mr. Tom Murphy, director of the Organisation "Meet the Americans", Hotel Comodore, Park Ave. at 42nd Street, New York, N.Y. 10017. Its President Mr. David C. Croy promised to arrange private quarters in Washington for groups coming from Europa.

The second picture I send to you, if you want to use it for publication. If you give it to a newspaper, please save a copy for our records.

My brother Eckhard Torinus (in the picture first from left), who knew St. Thomas, is the leader of the group. I will be in St. Thomas a week earlier.

Hope to hear from you soon and thank you very much
Sincerely

re: Congressional Hour - April 8 - Miss World Trade
(pictures sent April 8, 1976)

World Trade Week, 1976

By the President of the United States of America

A Proclamation

When our Nation's founders met two hundred years ago in Philadelphia to declare our independence, they categorized in unambiguous terms the reasons that compelled them to embark upon such a momentous and irrevocable course. "Cutting off our Trade with all Parts of the World" was high on the list of grievances.

The patriots who declared independence in 1776 set the United States on the path to leadership in the interdependent world of 1976. Their action enabled us, over a period of two centuries, to construct a firm foundation of commercial alliances with nations around the globe. Last year our two-way trade with other nations amounted to \$204 billion, with a record trade surplus of more than \$11 billion.

America's performance in the world marketplace is a true measure of the quality of American products, the extent of American ingenuity, and the dedication of American labor and industry to international commerce. Trade has been indispensable to our economic growth, to the greater well-being of our citizens, and to peaceful progress in our relationships abroad. It remains indispensable as we look to the new horizons of our third century.

NOW, THEREFORE, I, GERALD R. FORD, President of the United States of America, do hereby proclaim the week beginning May 16, 1976, as World Trade Week. I call upon all Americans to join with business, labor, agricultural, educational, professional and civic groups, and public officials at all levels of Government, in observing World Trade Week with appropriate activities and ceremonies.

IN WITNESS WHEREOF, I have hereunto set my hand this eighth day of April, in the year of our Lord nineteen hundred seventy-six, and of the Independence of the United States of America the two hundredth.

Gerald R. Ford

LATTA, DELBERT L
BIC GIFTS (Offered)

December 29, 1975

Dear Mr. Latta:

Max Friedersdorf forwarded your letter concerning the Ottawa Glandorf School's desire to present a Bicentennial quilt to the President.

As Max pointed out, we have been receiving a large number of requests for Bicentennial gift presentations. Unfortunately, it would be impossible for the President to accept each one and so a policy has been developed for acceptance of such gifts by a member of the President's staff at an appropriate White House ceremony. Our plans are to display the gifts, which are accepted on behalf of the nation, in the Great Hall of the Commerce Building during 1976.

If your constituent would like to have me arrange a presentation, I would be more than pleased to at a convenient time and day. Mr. ^{Ken} Heath can reach me at (202) 456-2800.

Your interest is greatly appreciated.

Sincerely,

Dear Del:

Many thanks for your December 8 letter concerning the desire of Mr. Ken Heath's junior high school history class to present a Bicentennial quilt to the President in early 1976.

Because of the great number of offers from citizens through the country to make special Bicentennial presentations, special procedures have been established for acceptance of such gifts. I will be pleased to contact the White House Bicentennial Office and ask that you be advised of the appropriate steps to be taken to arrange for this presentation.

Congressman Delbert Latta
2309 New House Building
Washington, D. C.

Dear Congressman Latta,

As the Junior High history teacher in the Glandorf Elementary School, I am very interested in projects this year with a Bi-Centennial theme.

One of our projects has been completed and, thanks to you and many of our political leaders, it was very successful. Our Junior High citizens now have a deeper knowledge of their responsibilities to our country and each other.

I talked with Mrs. Kiene today and she told me that she was able to speak with you this past week-end concerning the Bi-Centennial quilt our class is making.

Our class is excited with your interest in our project. They are thrilled with the possibility of presenting it to the President.

Mrs. Kiene mentioned that you would like to have the project ready to present sometime in January. Originally, we had planned to make it a year-long project; but that was before we considered the President's busy schedule due to the upcoming primaries.

We would appreciate as much time in January as possible; but of course, any time that is best for President Ford and you will certainly be all right with us.

We appreciate the privilege of participating in such a memorable experience. I am sure that this is one history lesson that will never be forgotten by our students.

Thank you for making this opportunity possible. We are eagerly awaiting your reply.

Sincerely,

Ken Heath

From: Max L. Friedersdorf *m.f.*

I. PURPOSE

To comply with a request by Bob Michel and the 16 Whips for a meeting with the President prior to the Easter Recess.

II. BACKGROUND, PARTICIPANTS AND PRESS PLAN

A. Background:

1. At the last Republican leadership meeting, Bob Michel requested that Jack Marsh and Max Friedersdorf schedule a meeting with the President prior to the Easter Recess (April 15-26) for the 16 Republican Whips.
2. Mr. Michel mentioned that during the last few meetings with the Whips, there was some noticeable discontent and general grumbling. Mr. Michel feels that if the Whips could meet with the President and air their thoughts, it would greatly improve the Whips' feelings and boost their morale. Bob Michel selected all of the Whips when he became Minority Whip and this is the second term they are serving as Whips.
3. A number of complaints will be raised by Michel and his Whips. Topics will include: patronage, closure of military bases, alleged unresponsiveness of Cabinet Members to Republican Congressmen, insufficient notice on vetoes and Administration positions on significant legislation.
4. The Whips also would like a group picture with the President.

B. Participants: See TAB A

C. Press Plan: Announce meeting; White House photographer only.

III. TALKING POINTS

1. Bob Michel requested at the last Republican Leadership meeting that I meet with the House Republican Whips.
2. I am delighted to do so. I also understand there are a number of topics you wish to cover.
3. Bob, why don't you begin and I will be pleased to respond.

1. Bill, I appreciate your bringing Mr. and Mrs. Sellers in for this presentation made in behalf of the Colorado Gun Collectors Association.
2. This bronze sculpture is symbolic of the Colorado Gun Collectors Association's position on gun control.

Last year I submitted to Congress my crime message. In that message I called for:

- a. mandatory minimum sentences for those persons who use guns in the commission of crimes.
 - b. increased investigative resources in major metropolitan areas.
 - c. the elimination of "Saturday night specials".
3. I am adamantly opposed to any legislation that would establish licensing or registration requirements of guns. And, I will oppose any gun legislation that goes beyond my own program.

Attached is some additional information regarding the Colorado Gun Collectors Association's desire to make a presentation to the President. Enclosed is a copy of their letter of December 17th to Max Friedersdorf and a picture of the sculpture they wish to present.

Frank Sellers indicated he would be able to come to Washington on short notice to make the presentation. He would be able to do so any time but the weekend of February 28th when he is getting married!

There are approximately 200 members of the Association in Colorado, but, of course, such a presentation could be widely publicized across the country through gun collectors' magazines, etc.)

I do not view the presentation as something controversial considering the President's stated position on gun control legislation.

Dear Mr. Friedersdorf:

I am writing to you at the suggestion of Congressman William Armstrong (R-Colo.)

The Colorado Gun Collectors Association would like to present to President Ford, or to The White House, whichever would be appropriate, an original bronze sculpture by Colorado artist Rusty Phelps. The sculpture, entitled "The Minuteman", is emblematic both of our celebration of the Centennial/Bicentennial and our feelings on the current matter of anti-gun legislation: "The right of the people to keep and bear arms shall not be infringed." The statue is 11 inches high.

Naturally we would prefer to make the presentation in person, but we also understand that this might not be possible due to the demands on the President's time and will be advised by you on the proper procedure.

SELLERS, FRANK M.
BIC. GIFTS (OFFERED)

January 21, 1976

Dear Mr. Sellers:

Max L. Friedersdorf, Assistant to the President, has given me your letter concerning the original bronze sculpture, "The Minuteman," for further response.

As you undoubtedly realize, quite a number of gifts are being offered in commemoration of the Bicentennial. Because of this, it has become policy for the President not to accept individual gifts. However, if you desire, arrangements can be made for a member of the President's staff to receive the sculpture on behalf of the nation. The gifts which are received will be displayed in the Great Hall of the Commerce Building during this Bicentennial year.

Please feel free to contact me to discuss this further.

My very best wishes.

Sincerely,

Milton E. Nitler
Deputy Special Assistant

Dear Max:

I received a copy of your letter from the Colorado Gun Collectors Association.

I have been in touch with this Association and know that they are very anxious to present an original bronze sculpture to the President. I hope that it will be possible for the President to receive this symbolic gift. It would mean a great deal to the members of the Colorado Gun Collectors Association.

Thank you for your consideration.

Best regards.

Sincerely,

William L. Armstrong
