To Mom

Dear Mom,

Mon. morning

This card may be a little late in getting to you and ^{if so} we are sorry. It was one of those very busy weekends for us as Gayle's brother, Wayne, and his girl friend, Nancy, came in Friday night to stay with us after a long week of skiing up in Maine. They had a great time - and we enjoyed hearing their stories of some of the spills they took. Then on Sat. afternoon, Gayle had about 12 girls over to our little cottage for a surprise bridal shower for her roommate from Wake Forest, Bobbi Walek who is getting married in June. Then on Sunday afternoon we went to a baby shower/luncheon for two of our close friends up here. I was trying to write a paper in the midst of all this & so you can see we haven't slowed down. We are anxious to hear all about your trip to California so give us a call. Take care & lots of love on your ^{Hallmark} B-day. Mike & Gayle

P.S. I won't have forgotten how young you are.
