MEMORANDUM

THE WHITE HOUSE
WASHINGTON

November 18, 1975

Dear Mrs. Ford,

Here are the thank-you letters for some of the gifts from the YWCA International Fair. There will be more coming.

On three (3) of the gifts I am awaiting information as to the donors.

Five of the gifts were evaluated by the State Department as being over \$50.....and therefore falling within the provisions of the Foreign Gifts and Decorations Act of 1966. I am disputing four of these evaluations and checking further to verify.

Enclosed is the "blue" card on the yerba-mate pot. Please let me know if you would like this gift sent over. Eventually it will have to be accessioned as a display piece for the President Ford Library and Museum. Please return the "blue" card when you are finished with it.

Many thanks,

THE WHITE HOUSE
WASHINGTON

June 24, 1975

Dear Mrs. Ford,

I realize this is all past history now -- but thought perhaps you would want to see the listing of the gifts given and received on the European trip.

In the future, please be assured that the memorandum of suggested gifts will come to your attention before departing on the trip.

Marge Wicklein

DEPARTMENT OF STATE

Washington, D.C. 20520

MEMORANDUM TO THE PRESIDENT
THE WHITE HOUSE

Subject: Gifts for Possible Presentation on Your and
Mrs. Ford's Trip to Europe

Attached are lists of those gifts which I would recommend for presentation should gift exchanges develop on your trip. All of these designated gifts have been generously donated by the artists/craftsmen/firms for your and Mrs. Ford's presentations. Additionally, we have prepared a supply of undesignated contingent gifts, many of which have also been donated with the remaining having been purchased prior to your becoming President.

Thus your gifts on this trip will not have incurred any expense to the taxpayers at this time.

I would suggest that should you wish to present inscribed photographs, use of shots taken together with the intended recipients during your visit would be especially meaningful. A supply of silver frames with Presidential Seals will accompany the other contingent gifts.

Henry E. Catto, Jr.
