The approach of Christmas is reflected in your incoming mail with Christmas greetings and messages being the leading ground-gainer during the past week. About 7,279 have been received so far. Following that, the mail is distributed over a wide variety of issues and subjects.

Though the volume is relatively small (1,150 pieces), it is interesting to note that the mail on the A. T. & T. anti-trust suit is running 100 to 1 against the Justice Department action.

Several other small items of interest: Since becoming President you have received 11,000 requests for birthday and anniversary messages, 6,000 requests for your autographed photo, and about 5,000 requests for jobs or positions in your Administration.

Merry Christmas and a Happy New Year to you and your family from all of us in your correspondence shop!
