Dear President Ford

When you were in the longuess you took an intrest in Pro football players. When you were Vice-President you took an interest in Pro football players. Now that you are President I want you to know that there are many Christian Pro players who are interested in you and praying for you. If we can ever help you in any way please let me know.

By the way thank you for lending me your "Spiritual Advisor" for our monday night game with Cincinnati.

Please give your family my regards.
