Jack Stiles sent me  
this via Dorothy Downton.  
I believe it has merit.  
Can't we push Roger Morton  
on it. Tony should really push.  
So should Industry.  
Tell Jack to send these three  
you.

TO: The President

FROM: Jack Stiles *JPS*

SUBJECT: Cape Canaveral technological show.

You have indicated a positive reaction to this suggestion.

John Warner thought it might be best to put it under the aegis of the Commerce Department and tie it in with economic recovery.

I mentioned it to Rogers Morton with a favorable reaction.

Time is short to get such a project moving. Do you want to give him the signal to go ahead? Florida certainly needs the stimulus and it should be helpful through sales overseas as well as foreign tourists to the balance of trade.
