September 25, 1975

Dear Mr. President,

The Hellenic Chronicle begins its 25th anniversary year this month as America's largest Greek-American newspaper.

The major event of the anniversary year will be a banquet to be held in Boston and attended by the national leaders among American Hellenes, as well as our local U. S. Congressmen and Senators.

We would like to invite you to be the guest of honor and the principal speaker at the banquet.

Because of your very busy schedule we would of course leave the date up to you.

We believe that this banquet could become a forum for you to help them understand your thinking regarding the policies of your administration as they relate to the Cyprus problem. We also believe that such a forum would help to improve and restore your good relations with the three million Hellenes in America as well as those of your administration with Turkey, Greece and Cyprus.

We would appreciate the courtesy of an early reply.

Respectfully yours,

Peter Agris
