Jack Ford

PURPOSE:

On a recent California trip, due to a last-minute schedule change, Jack Ford was unable to drop by the America Convalescent Hospital in Torrance, California. Many of the elderly patients were very disappointed and Jack has asked you to call the patients today, July 4th.

The individual who will receive your call is Mr. Bill Dooley, a patient in his late sixties, who is very active in the patient committee work at the Hospital. Mr. Dooley is also a Veteran.

TALKING POINTS:

I understand that Jack, because of a schedule change, was unable to visit the Volunteers of American Convalescent Hospital as planned when he was in California recently.

I wanted to take this opportunity to call you and let you know we are thinking of you on this 200th anniversary of our Nation's birthday. We are working hard to make the Third Century of America the very best one yet. (SEE ATTACHED)
