## MEMORANDUM

TO: Paul Miltich

FROM: Gordon Vander Till

IN RE: Jerry Ford Newsletter of the Air

This past Friday evening Mr. Ford and I were in St. Johns for a Lincoln

Day speech. As you know, St. Johns is the county seat of Clinton County where

Mr. Ford has two townships.

After the dinner we got to talking with the newsman and learned that there is a radio station in St. Johns and Mr. Ford mentioned that he possibly wanted to consider sending his weekly five minute public service tape to the station. The following information is provided you in case he would so decide.

WRBJ AM - P.O. Box 320, St. Johns, Michigan 48879, phone (517)2247911

Ditmer Broadcasting Co., Robert D. Ditmer, President and General Manager. Arthur

A. Wainwright Jr., Station Manager.

I guess that you probably have added by now WPLB AM & FM in Greenville and WBCH AM & FM in Hastings. Also, you might wish to consider WCER AM & FM in Charlotte. If you would like additional information on them, please feel free to call.

I certainly appreciate the listening time you have afforded me in previous years and wonder whether I may again send these tapes weekly during the First Session of the 90th Congress.

Föllowing the procedure of last year, the tapes will be made each Wednesday, beginning on February 8, 1967. They will be sent to you on that day with a self-addressed envelope provided for the return of the tape.

Just a short note on the enclosed self-addressed postal card is all we need to start the tapes coming to you. May I hear from you soon.

I would like to tell you at this time that your tapes have recieved several fine comments in my time here at WION/WYON.

As your letter was addressed to our former news director, Harry Boyes who is not at this station any longer, but rather with WJR'S Lansing bureau. Please rest assured that I am here to serve you in any way that I can, as I known that Harry did.

re: equal time request

November 29, 1971

Mr. William Kuiper Record Librarian Radio Station WFUR 399 Garfield Avenue, S.W. Grand Rapids, Michigan 4950%

Dear Mr. Kuiper:

I see no reason why you should grant equal time to Mr. Wabeke in connection with my report to my constituents concerning prayer in the public schools.

If you were to grant equal time to Mr. Wabeke in this instance, you would be opening WFUR up to demands for equal time from any number of private citizens every time they happen to disagree with some view expressed in my radio report to my constituents. I do not think that makes sense, nor is there any justification for it.

My radio report to my constituents is just that—a report of congressional actions and my own personal views. There is no intention to provoke or invite debate on the issues involved, and there certainly is no obligation on the part of the stateons airing the report to grant equal time to listeners.

Should you, on your own initiative, decide to grant equal time to Mr. Wabeke, that is your own decision. However, my recommendation is that you politely decline for the reasons I have stated.

Best regards,

Gerald R. Ford, M.C.

Dear Jerry:

One day this weekend I caught your "Congressman's Report" radio program.

Were you aware that the quality is poor? The program differed significantly from the program before and after. Yours was very bassy. Hard to listen to, and hard to understand. I'd say most people wouldn't be able to follow it without turning up the volume.

Incidentally, this is something that has been true for a long time - only this time it was more pronounced.

I don't know what conditions it is recorded under, or what equipment you record it on, but something isn't right.

Just thought you might like to know. When I listen to my Congressman, I'd like to have him come across clean, clear, and crisp.
