HENDRIKA KOENDERS LYNE

JUNE 24 (legislative day, JUNE 6), 1975.—Ordered to be printed

Mr. EASTLAND, from the Committee on the Judiciary,
submitted the following

REPORT

[To accompany H.R. 1556]

The Committee on the Judiciary, to which was referred the bill (H.R. 1556) for the relief of Hendrika Koenders Lyne, having considered the same, reports favorably thereon without amendment and recommends that the bill do pass.

PURPOSE OF THE BILL

The purpose of the bill is to grant the status of permanent residence in the United States to Hendrika Koenders Lyne. The bill provides for the payment of the required visa fee and for an appropriate visa number deduction.

STATEMENT OF FACTS

The beneficiary of the bill is a 44-year-old native and citizen of the Netherlands who entered the United States as a visitor on December 3, 1971. She married a native-born U.S. citizen in Holland on May 4, 1962. Her husband was then on active duty with the U.S. Marine Corps, but retired shortly thereafter. Two children born of this marriage acquired U.S. citizenship at birth through their father. In August 1969 the beneficiary's husband left his family and ceased support. Mrs. Lyne, unable to provide for herself and her sons, sought legal advice at the American airbase in Madrid. At the suggestion of

personnel in that office, she came to the United States to seek her husband in December 1971.

A letter, with attached memorandum, dated December 12, 1973, to the chairman of the Committee on the Judiciary of the House of Representatives from the Commissioner of Immigration and Naturalization refers to H.R. 9790, a similar bill introduced in the 93d Congress. The letter and memorandum read as follows:

U.S. DEPARTMENT OF JUSTICE,
IMMIGRATION AND NATURALIZATION SERVICE,
Washington, D.C., December 12, 1973.

A-20601426.

HON. PETER W. RODINO, JR.,
Chairman, Committee on the Judiciary, House of Representatives,
Washington, D.C.

DEAR MR. CHAIRMAN: In response to your request for a report relative to the bill (H.R. 9790) for the relief of Hendrika Koenders Lyne, there is attached a memorandum of information concerning the beneficiary.

The bill would grant the beneficiary permanent residence in the United States as of the date of its enactment, upon payment of the required visa fee. It would also direct that a visa number deduction be made.

The beneficiary, a native of Holland, is chargeable to the nonpreference portion of the numerical limitation for immigrants and conditional entrants from countries in the Eastern Hemisphere.

Sincerely,

D. F. CHAPMAN, JR., *Commissioner.*

MEMORANDUM OF INFORMATION FROM IMMIGRATION AND
NATURALIZATION SERVICE FILES RE H.R. 9790

The beneficiary, Hendrika Koenders Lyne, a native and citizen of Holland, was born January 11, 1931. She married Eugene Scott Lyne, a native-born United States citizen, in Twello, Holland, on May 4, 1962, during his military service abroad. Two United States children born of their marriage reside with the beneficiary in Silver Spring, Maryland. The beneficiary's husband resides in Lake Porte, California. They are legally separated; however, she alleges they have been divorced but she has not received legal proof. Since 1972, she had been receiving \$120 monthly toward the support of the children. She had been employed as a part-time housekeeper in a private home and earned \$60 weekly, but at present is temporarily unemployed due to a foot injury. She attended school for fifteen years in her native country, having graduated from high school and completed a course in typing and housekeeping. She claims no assets. Her parents reside in Holland. She has no brothers or sisters.

The beneficiary was admitted to the United States on December 3, 1971, as a nonimmigrant visitor. Extensions of stay were authorized to December 3, 1973. The beneficiary has

evinced an intention to remain in the United States permanently, thereby terminating her nonimmigrant status. Deportation proceedings were instituted against her on November 7, 1973, having remained in the United States for a longer time than permitted.

A letter dated March 5, 1974 to the chairman of the Committee on the Judiciary of the House of Representatives from the then Assistant Secretary for Congressional Relations, U.S. Department of State, with reference to the bill pending in the 93d Congress reads as follows:

DEPARTMENT OF STATE,
Washington, D.C., March 5, 1974.

HON. PETER W. RODINO, JR.,
Chairman, Committee on the Judiciary, House of Representatives,
Washington, D.C.

DEAR MR. CHAIRMAN: Reference is made to your request for a report concerning the case of Hendrika Koenders Lyne, beneficiary of H.R. 9790, 93rd Congress.

The bill would grant the beneficiary permanent residence in the United States as of the date of enactment upon payment of the required visa fee. It also provides for the deduction of one number from the total number of immigrants and conditional entrants who may be admitted from the beneficiary's country of birth.

The American Consulate General at Montreal, Canada has reported that the beneficiary was born on January 11, 1931 in the Netherlands. When she applied for a visitor visa at the Consulate General, she listed her foreign address as Madrid, Spain. She indicated that she was married to a United States citizen residing in California from whom she had been separated for a year. Her stated purpose of entry was to visit Mr. Lyne. The Consulate General issued her a visitor visa on December 12, 1971.

The Consulate General's files contain no information which would render the beneficiary ineligible to receive a visa.

Sincerely yours,

LINWOOD HOLTON,
Assistant Secretary for Congressional Relations.

Congressman Gilbert Gude, the author of the bill, has submitted the following information in support of H.R. 1556:

CONGRESS OF THE UNITED STATES,
HOUSE OF REPRESENTATIVES,
Washington, D.C., March 19, 1975.

HON. JOSHUA EILBERG,
Chairman, Subcommittee on Immigration, Committee on the Judiciary,
Rayburn Building, Washington, D.C.

DEAR MR. CHAIRMAN: I write in support of H.R. 1556, for the relief of Hendrika Koenders Lyne, which has recently been acted upon favorably by your subcommittee and will shortly go to the full committee for consideration.

Mrs. Lyne seeks permission to remain in this country as a permanent resident, with her two children, who are American citizens by virtue of their father's citizenship.

I believe that Mrs. Lyne's request for assistance in this matter is very meritorious, for the facts of the case reveal that Mrs. Lyne and her children find themselves in their current situation through no fault of their own. Mrs. Lyne, a citizen of the Netherlands, married Eugene Scott Lyne on May 4, 1962 in the Netherlands. Mr. Lyne was on active duty with the United States Marine Corps but retired after twenty years of service on May 31 of that year. Their first son, Brian, was born in July, 1962 and, nine months later, in April, 1963, the family moved to Mallorca, Spain, where their second son, Mark, was born in November, 1965.

The family lived together in Spain until August 3, 1969, at which time Mr. Lyne left the family and ceased supporting them, Mrs. Lyne attempted to support the family by herself, but found this to be nearly impossible and thus, sought legal advice from the legal office of the American airbase in Madrid. On the advice of personnel in that office, Mrs. Lyne came to the United States seeking her husband on December 10, 1971.

The Marine Corps assisted Mrs. Lyne to receive support payments for her children and, on March 29, 1972, the children were reunited with their mother in this country. During her absence, the boys had been staying in a small Catholic boarding school near Madrid, where they were cared for by the Padres.

Mr. and Mrs. Lyne were divorced on November 13, 1972.

Brian and Mark are now thoroughly at home in this country. Brian is in sixth grade at Lady of Lourdes School and Mark is enrolled at Woodside Elementary School. Both boys have been active in Scouting and are currently members of the Boys Club of Silver Spring. To have them leave the country and have to reestablish themselves in the Netherlands with their mother would be a terrible shame. Mrs. Lyne herself has been away from her native country for ten years and considers the United States her home.

I hope that, in light of these facts, the Committee will agree to grant Mrs. Lyne's plea to remain in this country as a permanent resident.

Sincerely,

GILBERT GUDE.

The committee, after consideration of all the facts in the case, is of the opinion that the bill (H.R. 1556) should be enacted.

HENDRIKA KOENDERS LYNE

APRIL 8, 1975.—Committed to the Committee of the Whole House and ordered to be printed

Mr. Russo, from the Committee on the Judiciary, submitted the following

REPORT

[To accompany H.R. 1556]

The Committee on the Judiciary, to whom was referred the bill (H.R. 1556) for the relief of Hendrika Koenders Lyne, having considered the same, report favorably thereon without amendment and recommend that the bill do pass.

PURPOSE OF THE BILL

The purpose of this bill is to grant the status of permanent residence in the United States to Hendrika Koenders Lyne. The bill also provides for the payment of the required visa fee and for the deduction of a number from the total number of immigrant visas which may be used by natives of the country of the beneficiary's birth.

GENERAL INFORMATION

The beneficiary is a 44-year-old native and citizen of the Netherlands who was admitted to the United States as a visitor, accompanied by her two sons, ages 11 and 7, both of whom acquired U.S. citizenship at birth through their father. She was married in 1962 to a U.S. citizen who was then serving in the Marine Corps. He retired shortly thereafter and the family remained in Europe until 1969 when he left them and ceased supporting them. On the advice of the legal advisor of the U.S. Air Force Base in Madrid, the beneficiary came to the United States as a visitor to see if the Marine Corps could help in getting support payments for her children. Through their efforts she was able to obtain support for her children who because of their status as military dependents are also entitled to full medical care.

The pertinent facts in this case are contained in a letter dated December 12, 1973, from the Commissioner of Immigration and Nat-

uralization to the chairman of the Committee on the Judiciary, regarding a bill then pending for the relief of the same person. That letter and accompanying memorandum read as follows:

U.S. DEPARTMENT OF JUSTICE,
IMMIGRATION AND NATURALIZATION SERVICE,
Washington, D.C., December 12, 1973.

A20 601 426.

HON. PETER W. RODINO, JR.,
Chairman, Committee on the Judiciary, House of Representatives,
Washington, D.C.

DEAR MR. CHAIRMAN: In response to your request for a report relative to the bill (H.R. 9790) for the relief of Hendrika Koenders Lyne, there is attached a memorandum of information concerning the beneficiary.

The bill would grant the beneficiary permanent residence in the United States as of the date of its enactment, upon payment of the required visa fee. It would also direct that a visa number deduction be made.

The beneficiary, a native of Holland, is chargeable to the nonpreference portion of the numerical limitation for immigrants and conditional entrants from countries in the Eastern Hemisphere.
