Discussion

The two enrolled bills would permit certain U.S. citizens to petition for the immediate admission of the beneficiaries, who are alien children, into the United States. Upon granting of the respective petitions, each child would be issued an immigrant visa and be eligible for immediate entry into the United States. The natural parents and siblings of the children are not accorded any benefits under the Immigration and Nationality Act because of their relationship to the beneficiaries.

H.R. 4038 - Jennifer Ann Blum

The beneficiary is a one year old Korean girl who resides there with her adopted parents, U.S. Army Captain and Mrs. Robert J. Blum, both U.S. citizens. Jennifer was adopted by the Blums in Korea on October 23, 1974. Her natural parents are impoverished and had consented to her adoption.

Captain and Mrs. Blum, who have no natural children, have requested a curtailment of his assignment to Korea and a return to the United States as soon as possible, because Mrs. Blum is in need of special medical treatment which is not available in Korea. However, Jennifer will not be eligible for an immigrant visa as an immediate relative of the Blums until October 23, 1976 because current law requires that an adopted alien child be in the legal custody of the adopted parents for two years prior to admission to the United States as a permanent resident. The enrolled bill would permit immediate issuance of an immigrant visa to Jennifer upon approval of an immediate relative visa petition filed in her behalf by Capt. and Mrs. Blum.

H.R. 8863 - Randy E. Crismundo

The beneficiary is a four-year-old Filipino boy who lives with his paternal grandparents in the Philippines. Randy's natural parents, who are both living and poor and who have six other children, have filed an affidavit consenting to his adoption by Mr. and Mrs. John E. Burroughs of Long Beach, California, who are childless. Mrs. Burroughs, a native of the Philippines and a naturalized U.S. citizen, is Randy's paternal aunt. Mr. and Mrs. Burroughs are employed by the Veterans Administration and the Los Angeles public schools, respectively. They have complied with California's pre-adoption requirements.

Randy is ineligible for an alien orphan immigrant visa under the Immigration and Nationality Act, because his natural parents are living. The enrolled bill would waive this condition and permit Randy's immediate admission to the United States upon INS approval of a petition filed in his behalf by his prospective adopting parents.

RANDY E. CRISMUNDO

NOVEMBER 12, 1975.—Committed to the Committee of the Whole House and ordered to be printed

Mr. SARBANES, from the Committee on the Judiciary,
submitted the following

REPORT

[To accompany H.R. 8863]

The Committee on the Judiciary, to whom was referred the bill (H.R. 8863) for the relief of Randy E. Crismundo, having considered the same, report favorably thereon without amendment and recommend that the bill do pass.

PURPOSE OF THE BILL

The purpose of this bill is to facilitate the admission into the United States of the adopted child of citizens of the United States.

GENERAL INFORMATION

The beneficiary of this bill is a 3-year-old native and citizen of the Philippines who resides there with his paternal grandparents. He is coming to the United States for adoption by his aunt and uncle, citizens of the United States who have no natural children. The adoptive parents have completed the preadoption requirements of the State of California.

The pertinent facts in this case are contained in a letter from the Commissioner of Immigration and Naturalization, dated September 23, 1975, to the Chairman of the Committee on the Judiciary. That letter and accompanying memorandum read as follows:

DEPARTMENT OF JUSTICE,
IMMIGRATION AND NATURALIZATION SERVICE,
Washington, D.C., September 23, 1975.

A-21523709.

HON. PETER W. RODINO, Jr.,
*Chairman, Committee on the Judiciary,
House of Representatives, Washington, D.C.*

DEAR MR. CHAIRMAN: In response to your request for a report relative to the bill (H.R. 8863) for the relief of Randy E. Crismundo,

there is attached a memorandum of information concerning the beneficiary.

The bill provides that the three-year-old beneficiary may be classified as a child and be granted immediate relative status upon approval of a petition filed by John E. and Rogelia S. Burroughs, citizens of the United States. It further provides that the natural parents, brothers, and sisters of the beneficiary shall not, by virtue of such relationship, be accorded any right, privilege, or status under the Immigration and Nationality Act.

Absent enactment of the bill, the beneficiary, a native of the Philippines, would be chargeable to the nonpreference portion of the numerical limitation for immigrants and conditional entrants from countries in the Eastern Hemisphere.

Sincerely,

L. F. CHAPMAN, JR., *Commissioner.*

Enclosure.

MEMORANDUM OF INFORMATION FROM IMMIGRATION AND
NATURALIZATION SERVICE FILES RE H.R. 8863

Information concerning this case was obtained from the interested parties, Mr. John E. and Mrs. Rogelia S. Burroughs.

The beneficiary, Randy E. Crismundo, a native and citizen of the Philippines, was born on March 3, 1972, at Calacalao, D.C., Bukidnon. He resides in the town of his birth with his paternal grandparents, who are neighbors of his father and mother. His parents, Clemente and Eliza Crismundo, have jointly executed an affidavit granting consent for the adoption of the beneficiary by the interested parties. The beneficiary has six siblings who reside with their parents. The beneficiary is of pre-school age, has no personal assets or income, and has never entered the United States.

Mr. and Mrs. Burroughs propose to adopt the beneficiary and have complied with the State of California pre-adoption requirements. They have been married since July 3, 1970. Mr. Burroughs, a 55-year-old native citizen of the United States, is employed by the United States Veterans Administration in Long Beach, California, earning an annual salary of \$15,000. He also receives a military retirement income of \$663 per month. He and his wife are buying a home valued at \$43,000, own personal property valued at \$17,000, and have banked savings of \$27,300.

Mrs. Rogelia S. Burroughs, a 31-year-old naturalized citizen of the United States and native of the Philippines, is the paternal aunt of the beneficiary. She and her husband have no children, and they intend to adopt the beneficiary to provide him with better living conditions and superior educational opportunities than could be provided by his natural parents in his native village. Mrs. Burroughs is employed as a public school teacher in Los Angeles, California, earning a salary of \$812 per month. She has no assets other than those shared with her husband.

Mr. Lloyd of California submitted the following letter in support of his bill:

CONGRESS OF THE UNITED STATES,
HOUSE OF REPRESENTATIVES,
Washington, D.C., November 4, 1975.

Chairman JOSHUA EILBERG,
Committee on the Judiciary, Subcommittee on Immigration, Citizenship and International Law, Rayburn House Office Building, Washington, D.C.

DEAR MR. CHAIRMAN: I appreciate the opportunity to comment upon my bill, H.R. 8863, a bill for the relief of Randy E. Crismundo. After personally reviewing the circumstances surrounding the immigration and adoption of Randy E. Crismundo, it is my sincere desire that affirmative action be taken by this subcommittee.

Randy E. Crismundo, who is three years old, is a citizen of the Philippines where he lives with his grandparents. His parents have six other children in addition to Randy, and they have difficulty supporting them all.

Mr. and Mrs. John E. Burroughs, who are residents of my 35th District in California, and who are Randy's uncle and aunt, want to adopt Randy and have his parents' blessings. However, because both of Randy's parents are living, he is ineligible for an orphan visa. My bill is the only way the Burroughs can adopt Randy. Mr. and Mrs. Burroughs are both school teachers and are fine, upstanding Americans; the adoption of Randy would greatly enrich their lives. Randy would also benefit by the warm and loving home environment the Burroughs offer.

Enclosed you will find documents and information pertaining to the qualifications and approval of the Burroughs as Randy's parents by adoption. Because of the importance of this matter to the Burroughs and Randy, and because of Randy's young age, I respectfully request that this matter be handled as expeditiously as possible.

Sincerely,

JIM LLOYD, *Member of Congress.*

BUDGETARY INFORMATION

This legislation does not provide new budget authority and no estimate or comparison has been received from the Director of the Congressional Budget Office.

OVERSIGHT STATEMENT

The Committee exercises general oversight jurisdiction with respect to all immigration and nationality matters but no specific oversight is contemplated in this instance.

COMMITTEE RECOMMENDATIONS

Upon consideration of all the facts in this case, the committee is of the opinion that H.R. 8863 should be enacted and accordingly recommends that the bill do pass.

Mr. EASTLAND, from the Committee on the Judiciary,
submitted the following

REPORT

[To accompany H.R. 8863]

The Committee on the Judiciary, to which was referred the bill (H.R. 8863), for the relief of Randy E. Crismundo, having considered the same, reports favorably thereon without amendment and recommends that the bill do pass.

Burroughs, U.S. citizens, reside in California; they have no natural children and wish to adopt the beneficiary in order to provide for him in a manner superior to that which his natural parents can offer. Mrs. Burroughs is the beneficiary's paternal aunt.

 COMMITTEE ON LABOR AND PUBLIC WELFARE,
Washington, D.C., February 12, 1976.

HON. JAMES O. EASTLAND,
Chairman, Committee on the Judiciary,
U.S. Senate, Washington, D.C.

DEAR SENATOR EASTLAND: This note is to express interest in private bill, H.R. 8863, for the relief of Randy E. Crismundo, a 3-year-old child who resides with his paternal grandparents in the Philippines.

Mr. and Mrs. John E. Burroughs, citizens of the United States, hope to bring the young child to the United States and adopt him. Mrs. Burroughs is the paternal aunt of the beneficiary.

The prospective adopting parents are financially qualified to care for the child and are looking forward to welcoming him.

I certainly hope the committee will find it possible to give favorable and prompt consideration of the bill.

Sincerely,

ALAN CRANSTON.

Senator John Tunney has submitted the following information in connection with the bill:

FEBRUARY 8, 1976.

HON. JOHN TUNNEY,
Senator of the United States,
Los Angeles, Calif.

DEAR SIR: May I respectfully request your assistance in expediting my private bill which has been in the Senate Subcommittee on Immigration since early December 1975.

A little background on the private bill H.R. 8863: My wife and I first started working on the necessary home study in June 1974. The papers were lost in Sacramento and we resubmitted another form in late November of 1974. We have desired to adopt my wife's nephew who is the sixth child of seven children and the parents just cannot properly and financially care for every child of theirs. This child is not an orphan. Both his parents are living, therefore the necessity of the private bill. We are childless and wish to give the boy all the love we can give plus good home, proper care and best education. This boy was only 6 months old when we started the papers. Now he is 3. We are wondering how old he will be when he gets here. His name is Randy Crismundo.

We have cancelled two trips to the Philippines because the bill had not been passed. We have another leave scheduled in June to hopefully go after him. That's why we are pleading for your help to get that bill pass before our leave begins on June 27.

This letter will serve as my permission to review my file in the course of extending any assistance in expediting my private bill.

I am an employee of the Veterans' Administration at 11,000 Wilshire Blvd., Los Angeles, Ca. on the first floor of the Federal Building and my telephone number is 824-7727 or FTS 799-7727.

Very truly yours,

JOHN E. BURROUGHS.

The committee, after consideration of all the facts in the case, is of the opinion that the bill (H.R. 8863) should be enacted.
