Said GF extended an invitation to him at Miami International Airport to come to the White House for Christmas and said he'll come. Said he knows Susan. Also, has sent about 12 letters and 5 telegrams and has gotten no reply. Hopes BF is well, sends his love to Susan and wants Susan to write him. *See attached copy.*

Problem:

Said GF extended an invitation to him at Miami International Airport to come to the White House for Christmas and said he'll come. Said he knows Susan. Also, said he'd sent 12 letters and telegrams (5) and has gotten no reply. Hopes BF is well, sends his love to Susan and wants Susan to write him.

Action Taken:

I called for his correspondence file and found he's sent 2 telegrams. One asks Susan to marry him and the other asks the President and First Family if he can't join them for Christmas.

Thought you should be aware of this. You'll probably be hearing from him.

GF urged not to make foreign policy a partisan issue in speeches. "This
type of RN rhetoric is hurting rather than helping GOPs."

Stop busing. Children are used as tools for adults.

5% less when GF's campaigning and using up a lot of fuel?

GF's salary should be docked for each day he's out campaigning.

Has heard Simon on TV and is impressed with him and the programs he's advocating to alleviate inflation. Simon should stay on as Treasury Sec'y.

Approved of GF's veto of HR 14225, Voc. Rehab. Feels blind should have better opportunities and this veto may enable them to get better jobs than just being venders.

Admire GF for going to visit RN.

GF should say we're going to stop inflation---period and cut USG spending---period. US should pull together. His surcharge proposal isn't going over well and people are now seriously considering to vote for liberal Dems for the 1st time in their lives.

GF can save money if the helo pad at WWH is left in instead of being torn out.
