COMMENT OFFICE NOTES: 11/4/74

MISC. COMMENTS:

Against GF's visit to RN: "GF got the Presidency for the price of a pardon."

Feels News election projection is unfair when people in the West haven't cast their ballots yet.

Concern over the Canadian Indians which took over some land in NY. The people in the community must be escorted by police where ever they want to go in the town. 2 youths shot last week. The Indians claim provocation by the youths, but no guns were found in the car operated by the youths.

Re: GF's comment that the elections might be decided by only 21% of the populous that he is in office without any percentage of the US voting on him.

GF should do something about the criminals that walk the streets.

Upset about the newsplay of the calf slaughterings. Remind GF that he said everyone should clean up their plates. This kind of news item shouldn't be viewed on TV. The woman called CBS in NY and complained. They told her if she wanted something done about it to call the White House.

Concerned about the oil shale development issue in Colorado. They don't feel Project Independence should go ahead. They feel consideration should be given to the environment. (2 14-yr. olds calling from a pay phone in Colo.)

Thank GF for his trip to Michigan.

She voted GOP because GF went to see his friend, RN and made it known to the world. Thinks GF is a great man. Wants GF to be pres. in '76.

GF: Thanks for coming to Kansas. "You turned the tide."

Concerned Dem woman was concerned La.'s Long was running unopposed. She said if she'd known that, she'd have run herself. She feels opposition is impt. She's happy w/ GF, feels he's honest and fairly objective.

Election is disappointing to see what the US people are doing to this country; it's a conspiracy.

Disappointed Gf hasn't provided more leadership on energy problem with either rationing or higher gas taxes.

GOP Predinct chairmaan in Montgomery County, Md. said the GOP took a battering, that the people are angry about RN and the media isn't making such talk up.

Does GF realize how his support of RN affected US and GOP?

Fed up with GF commenting that the economy is the cause of the Dem sweep. She and others feel the pardon and amnesty and Watergate were the causes. She noted GF's remark he wouldn't pay any attention to the polls. She said he should because that's how US feels.

Suggestion: to solve unemployment, use the registered voters who are unemployed to serve on jury duty.

RE: BROWN

Shouldn't hold high position in mil. or USG if bigoted.

Morally or politically Brown is a moron.

Would like to see something in writing from where Brown gets his info.

Concern over Brown is disheartening.

Apology is due.

Brown's vicious and fallacious. Concerned JCS has doubled its staff size illegally.

Appalled at Brown. Didn't know NR and Mellon were Jewish.

Brown has no business being in office.

Distressed over Brown; reflects poorly on GF.

Brown didn't know how to control his tongue.

Brown smacks of anti-semitism.

Totally inept. Undermining our democracy.

Frightening someone would harbor those inner feelings; it's reminiscent of 3rd Reich.

Stinking statement. Sick. Furious.

Thought this was old-fashioned anti-Semitism which US had outgrown.

Man wouldn't let his sons go into military under Brown. Great objection.

Hope GF will have a lot more sense about Brown than Schlesinger does. "I didn't vote for Brown and he has no business of getting into the domestic situation of the US. Hope GF does his job as C-I-C and fires Brown. US needs someone w/ less vulgar attitudes. Spoke like a Nazi. Expect greater intelligence from JCS chrmn.

Why should Brown be chastized for telling the truth? Facts should be brought out if it isn't the truth. GF's trying to be all things to all people. He should lead.

11/13/74 misc. comments re: Brown

Put Brown into early retirement.

Disenchantment w/ Brown's comments.

Brown could violate my rights!

JCS represents all the people. He's discriminating against Jews.

Furious. He'll be darned if he'll stand by and see yo-yo's run the military.

Inexcusable.

Poor judgment.

Outraged over Brown. Hope it doesn't presage another disregard for Jews and lead to what brought us into WWII. It's fascist.

Brown should apologize. If he doesn't, man will send in his medals from war. USG is out of control.

Brown is a disgrace to the uniform and US.

Brown, trying to start a war or riot in US? Resign.

Resents GF's rebuke of Brown. Lib establishment is in favor of destroying conservative sacred cows. Is there a double standard for the libs?

Embarrassed.

Lay off Brown. He's right.

Brown untrue. GF was ill-advised and gave an inadequate response.

News is covering up something obvious to public. Shameful Brown's reprimanded.

Brown is telling it like it is.

Disgrace, ignorant.

Why are you taking so long to get rid of Brown?

Support Brown 100%. HAK should be out.

Jews demand too much.

Why are the Jews running the US?

Don't do more to Brown. He apologized.

Insulted Jews.

11/13/74 misc. comments re: Brown

Reminiscent of Hitler.

Lack of compassion.

Press should have printed story earlier.

Praise Brown. GF: Wake up. Am sick of HAK/Simon?Schlesinger policy. GF will get his message in '76.

Brown is entitled to his prejudices personally, but as a Gen'l, it's insulting.

Brown is the best friend Israel has. He shouldn't be fired.

Brown smears US.

When JWF (Fulbright) was on Face the Nation, he said the Zionists control the Senate and there was no concern over that; nothing in the papers or on the nets. No outrage.

Man is going to initiate court-marshall proceedings against Brown. Deplore his statement.

It's destructive to foment anger and hostility.

Apology isn't good enough. It's like killing someone and saying you're sorry.

It's a free country. He can say what he wants.

Ethnic slurs are uncalled for.

Jews do control lots of things. They are leading us to a WWII w/ USSR.

Brown should read the 1st 3 chapters of the Bible.

Brown shouldn't be tolerated.

Brown should be bounced out of office.

GF, very weak. Is giving US away to the Jews.

If GF doesn't fire Brown, I'll consider GF an anti-Semite.

Agree w/ Brown. We side too much w/ the Israelis.

Brown should go to the military cemeteries and see the Stars of David. He's a disgrace to the military.

GF, don't let the pro-Israel pressure influence you to dismiss Brown. Feels the US interests have been put aside for Israeli interests.

COMMENT OFFICE: Misc. notes 11/13/74

Urge GF to respond to requests for food at conf. Imperative US should assume some leadership or other nations won't respond.

Opposed to removal of Barbara Watson at State.

Doesn't blame GF for economy.

Arafat is a guest in US and the threat against his life is out of place.

It's alarming to think of NR as a potential VP or Pres. Especially since he didn't think much about his brother putting money up for the Goldberg book.

Disillusioned over the Hill payraise. It's out of order and irresponsible. US people are at their wits end.

HHH's (Humphrey) performance at the food conf. was shocking. US is very humanitarian. Where's he been?

NR's been handling himself well at the hearings. Byrd was rude; more so than Holtzman to GF.

Sen. Rules Comm. are power-drunk nit-pickers. GF ought to drop an A-bomb on them. Let's get on w/ the business of govt. They're nonsense.

NR is a good hearted man. Don't care what he's done in the past. We're concerned about what he'll do in the future.

NR hearings are a fiasco.

Livid at watching Hill NR hearings. Every MC should be investigated.

NR hearings are a terrible expense of taxpayers money.

Compliment GF. Stay in US sted of travelling abroad.

Is anything going to be done on the economy for the common people?

Please reinstate W&P controls.

GF should publicly support Israel by a statement.

We need a VP!

Appreciate GF's efforts for everything. God bless him.

GF is very weak and giving the US away to the Jews.

RE: BROWN

Brown was absolutely right; much Jewish control in US. Too much tax money going to arm Israel. Jews are mounting a nat'l effort to remove Brown.

Brown 100% correct. Jews are willing to fight for Israel but were the 1st to demonstrate against VN. Brown speaks for millions of Americans.

Brown was perfectly right. GF shouldn't have made his statement.

Brown's not free to sound off on a political matter; WH should fire him.

Brown's anti-Semitic. Terrible.

Immoral to retain Brown. Fire him.

Support Brown. It's abhorant WH kneels under to pressure on Hill. There's nothing anti-Semitic to recognize the Jews are an effective lobby. Palestinians have been displaced and have rights, too.

Brown is reprehensive.

Commend Brown for telling the truth.

The outrage over Browns remarks show it's true; there is undue influence.

Brown was misunderstood.

Upset w/ Brown. Appreciate GF's reacton and urge Brown's removal.

Brown doesn't deserve the pummeling he's getting from GF and others. Feels we're heading toward another ME war. Is a Jewish lobby as powerful as a China lobby?

Outraged w/ Brown. It's a lie.

Brown, disgraceful, unbelievable, disgust, anger, frightening.

Give Brown another star or commendation.

An investigation should be done to see if Brown was right.

If Brown is telling the truth, he should be able to exercise his constitutional rights. GF shouldn't reprimand.

If it's true, Brown shouldn't be blamed for it; GF should leave Brown alone.

11/14/74 Misc. comments re: Brown

Believe Brown's statment was a little out of line but no one has said anything about Fulbright's statement in Fulton, Mo. a month ago when he said the Hill is Zionist controlled.

Protest Brown; terrible, untrue, misrepresents Jews.

Insensed. Heard that when Hitler came to power. Remove.

Support Brown. He shouldn't be brow-beaten for expressing his honest opinion. JWFs(Fulbright) has been saying it, too. He shouldn't be demoted from Jewish pressure.

I've lived thru 1 Hitler; we don't need another.

Brown should have told what the Jewish conspiracy controls. I wouldn't support any war against the Arabs.

Remove. A lashing isn't enough.

Views weren't appropriate in Brown's position. What is his impact to do something militarily in the ME if he were so ordered?

Brown was terrible. He should have thought 1st before saying it.

Brown--Naxi-like mentality.

Grave dissatisfaction w/ Brown.

Remove. Prejudice can't remain.

Seething, enraged, appalled at Brown.

Support Brown. It should have been said a long time ago. GF lost support.

Brown remark out of place.Fire.

There'll be political backlash if Brown's fired.

Objection of criticism by GF to Brown. Won't support a Pres. who doesn't support his staff and bows to spec'l interest.

Brown--slanderous.

Brown, irrational.

GF's slap on the wrist isn't enough.

Concerned over media coverage given Brown. It's terrible people can't have an opinion when it comes to the Jewish people. Hill is Zionist controlled. Don't fire.

11/14/74 Misc. comments re: Brown

Outraged. Tone sounded similar to Agnew days. Dismiss and investigate.
Wreckless, not fit. Remove.

Don't understand the big to-do over Brown. He had the right to say it.
Jews don't own the banks. Italian-American's do.

Indignate, dangerous, scary. Remove.

Remarks were ignorant, bigoted, stupid, dumb, unfounded.

Shouldn't resign tho statments were anti-Semetic.

Furor over Brown is ridiculous. We know it's true. Jews have been
in banking historically and prevolent in news, publishing, movies,
etc. It's bad making Brown eat crow. He shouldn't apologize.

Insidious. GF should replace him.

Brown's illiterate.

Support Brown, Was taken back and chagrined by the humiliation
GF visted upon Brown.

Brown's career shouldn't be harmed. Freedom of speech should be
extended to Brown as JWF did note same recently.

Ill-advised but shouldn't be fired.

Remove. Was considering ROTC but isn't sure now.

Censure GF for reprimanding Brown.

Compliment GF for chosing someone who'll express opinions;
candor is over due and isn't anti-Semetic in the slightest.

Awful, disgrace.

Is a Jewish man but believes GF handled it properly. Brown was
right.

COMMENT OFFICE NOTES: 11/14/74

MISC. COMMENTS:

Confirm NR NOW!

GF's not acting like a Pres. No leadership on energy problem.
Concerned w/ his handling of Brown matter.

Concern over economy and sky-rocketing prices.

Favor NR. Hearings are ridiculous and to think US has to go
thru the same thing w/ the House.

NR at hearings sounds like a cover-up and Watergate.

NR hearings are ridiculous with the line of questioning and
having to reveal facts about his personal life--it's all
disgusting.

On NR hearings: Byrd and the other senators are arrogant, etc.

NR conducted himself well at his hearings.

MD's shouldn't go to see RN.

After hearing about GF's speeck to Home Builders in Vegas, man
is mad: "GF's lost his credibility."

Opposed to a gas tax.

How can US follow Admin. lead on inflation when GF says two
different things: re: Vegas speech and FFA speech.

COMMENT OFFICE NOTES: 11/15/74

MISC. COMMENTS:

RE: Gen. George Brown

Thank GF for not firing Brown.

Jews have overwhelming control of media and Hill; agree w/ Brown.

Brown's a man of integrity.

Brown had a right to speak his mind. I'm 100% behind GF in not firing Brown.

Offended by GF's and Brown's action. Remove Brown.

Upset over Brown, GF's reprimand was good.

Disgust w/ Brown's gross distortion.

Don't fire Gen. Brown. It took courage to speak the truth.

Not satisfied w/ Brown's apology. Remove.

What they are doing to Gen. Brown is awful. "There is freedom of speech." He's being ruined.

Brown's comment was out of order.

Give Brown a raise!

Share's Brown's concern that the Jewish influence in Congress compromises military equipment from active units due to a tight DOD budget. It's not anit-semetic to show concern over lack of preparedness.

Congratulate Brown for having the guts to speak the truth!

Remove Brown. This started in Germany with such statements. We'll hound him out of office. NYT will get adds against Brown by next wk.

Brown, resign. Does our Pres condone this Hitler-like statement?

Reprimand of Brown is not enough. Resign.

Brown is a bigot.

Brown isn't diplomatic enough to be in a high position.

Demote Brown.

COMMENT OFFICE NOTES: 11/15/74

MISC. COMMENTS:

GF was wrong in not asking for food aid.

GF should meet w/ respective ambssadors rather than go on his trip abroad. Feels it could harm US' internat'l relationship.

Wants GF to mention the inhumane treatment of Russian dissidents in talks w/ Brezhnev; especially Valentine Moroz who's been on a hunger strike since 7/1/74.

Approve NR. Hill hearings are nitpicking. Wuestions asked are irrelevant.

NR hearings are a political game. 25th amdmt. isn't working. I'm upset w/ political system.

Anti NR. Couldn't vote for GF in '76 if NR is VP.

NR isn't fit to be VP.

GF's doing a fine job. We shoulnd't go overboard and stretch our limits here at hoem w/ the food program. Food isn't utilized well overseas and will not be used as it should.

NR hearings have gone on long enough.

Disgusted w/ NR hearings. Urge GF to do something or we'll lose a good man.

Sirica is lynching RN. He insults the First lady, her family and the MD's who saved RN's life.

Butz is your finest cabinet member. Keep him. He's let us mind our business and is cutting out the bureaucrats. God Bless him!

It's appalling not to have a VP. Hill is awful.

Supports Bartlett Amdmt HR 315580; Weinberger is for abortion. End policy of taking himan life at cost to taxpayer.

It's terrible what NR is going through. Hill isn't behaving responsibly.

US should make more of a commitment to world food conf.

NR is fantastic. US needs a VP. Hearings are: "Meet Around the Clock".

NR hearings are invading NR's privacy. I'm horrified.

Oppose violence to solve human problems and promote positive solutions to problems. Oppose NR confirmation due to conflict his wealth possess and his total lack of concern for the unborn child. (Message on behalf of student members nationwide who oppose NR.)

Against official recognition of PLO.

GF should stay home and do something about inflation. Don't like Admin.

GF should take a stand against Christians and espec. Baptist Christians in USSR.
