MISC. COMMENTS:

GF should stay home til US gets a VP. Concern ^{that} college students are eligible for food stamps when a mother w/ several children isn't eligible.

Against relaxation of marijuana possession and no charges being lodged against the offender.

Appalled Saxbe doesn't want US to have counter-intelligence measures against enemies.

Indiscret of Saxbe to divulge secret info on counter-intelligence matters.

Angry GF didn't get rid of Brown before leaving for Japan.

Against Rocky's abortion stand and concern over Goldberg book.

Angry at USG. Whereever this family turns, there are govt controls. They can't get a decent price on milk and cattle because of govt controls. Also, can't switch to a different electric or oil co. to get lower pricing because of govt regs. Said one has to be on welfare before they can get any help. Also, anti NR, for "How can he see the needs of the average citizen?" Anti gas tax.

Complaint from a 3rd yr. law student who's a prosecuting intern in Montgomery County that 30-40% of his case load is w/ small marijuana offenders. It's rare that any of these return for similar offense. He agrees w/ the Justice stance on not reporting pot~~ll~~ pot offenders who possess only a small amount. Also, atleast 1/2 of his cases involves blacks in a county only 5-10% black. As well, a small no. of policemen keep bringing in the pot offenders. Happy to see this 1st step from Justice in decriminalization.

GF's likeable but not doing a good job. He hasn't done anything about inflation. "He's not biting the bullet but sucking on a lollipop."

If GF vetos vets benefits, man will switch to Dem.

Hopes GF vetos Freedom of Info Act; it's going too far toward anarchism.

MISC. COMMENTS:

RN conspired w/ the media to take over the US. Am. people won't stand for this and there will be civil disobedience the likes of which the US has never seen!

What would have happened If Brown had said these things about WASP Michigan football players? Brown should be removed.

Is Saxbe working for Russia?

Disappointed GF didn't grant additional food aid. \$350M wouldn't make a difference to US but it would to other starving nations.

MISC. COMMENTS:

Opposed to Klassen stayin on at USPS in order to draw his fed. annuity. If GF keeps him on, then he's as bad as Klassen.

The Church of Christ in Silver Spring, Md. said a spec'l prayer for GF on Sunday.

Objects to GF being in Japan.

"Respectfullly, but unequivocally ask GF to w/draw NR"--Students for Human Life, Univ. of Pittsburg.

When the US fails in its faith, then we can't help the rest of the world. Also concerned about the gold market and NR's pro-abortion stand.

Pro Bartlett amdmt-- that fed. money can't be used for abortion unless to save the mother. HEW has used tax money corruptly in this regard since not all taxpayers are pro-abortion.

Hopes US doesn't recognize the PLO.

Reverse the seating of the PLO in the UN. If the US doesn't back Israel, then Israel will go under.

Anti grains going to Syria. "Too much of a war-like country."

MISC. COMMENTS:

Anti the grain deal w/ Syria. Anti the 15% food aid to the ME oil producing nations.

Bravo for Brown! How many Jews are in policy planning at the WH and on the Hill?

Anti NR; there might be a conflict of interest w/ the Rockefeller oil interests. Against the spread of nuke power plants. Ban aerosal products.

A teachers strike in Garden City, Mich. is in violation of a court order and the teachers were told to return to work. USDA refused the 525 teachers food stamps since they're in violation of the court order. "If the US can send grain to the USSR, then they can grant these teachers food stamps."

US should stick to the policy of supporting Israel against the PLO. Sisco's remarks are distressing.

Fire Brown immediately!

The last thing the US needs is NR. He represents the anti-life forces, euthenasia and the corporate giants.

Disturbed about grain sale to Syria. Why are we supporting both Israel and Syria?

Brown deserves a medal. Brown shouldn't have apologized. The media feeds the people what the media wants us to hear.

Fire Saxbe!

When GF censors Brown who stated fact, it's time we all examine this charge. Wash. Post writer Isaacs who did the p. 1 piece today on Jewish influence failed to state his father owns the Louisville Courier Journal and the Post and NYT are both controlled by Jews as are the major networks.

MISC. COMMENTS:

Support US stand in UN on supporting Israel.

If GF's going to do something about the economy, he'd better do it quick. Pro Wage and Price controls.

GF should have given food aid asked for at food conf. Protest GF going to S. Korea. He's against a dictatorial regime and yet he goes and seemingly gives it support.

GF is dedicated to doing a fine job but he needs to clean house w/ some of the hierarchy around him; for ex. HEW.

Concern NIH is importing some foreign scientists to become administrators there.

RN pardon was a gross miscarriage of justice; GF shouldn't shoot from the hip in making decisions.

MISC. COMMENTS:

Support Brown; he's courageous and was proved right.

Upset over the pay increase the Hill wants to give themselves. It's crucifying the US and is as tho the Hill wants the US to crash. GF better get on them and straighten them out. Pro balanced budget. GF better do it fast and NOW!

Donut shop owner in Tulsa, Okla. noted the price of sugar has quadrupled in the past yr. They can't afford to charge customers in accordance to the price raise of sugar or they'll lose their customers. He noted glazes and icings are the main thing in pastries and the donut shops will just have to close down. (100 lb. bag 1 yr. ago cost \$15.80; now it's \$67.00.)

Upset GF refers to the US people as "Americans" sted of people of United States. "Hawaiins aren't American's". And what about the people in Central Am, or S. Am. or Canada? "They are American's! But they aren't people of the US!"

A Marn, Mich. farmer can't get a Farmers Home loan because FHA doesn't have any money available right now. And, the banks won't loan farmers money because the interest rates are too high. Yet GF said the farmers should produce more. How can they when they can't get the money to do it? He wants the family farmers to be accommodated by further loans from someone.

Cut out food stamps. There's no reason for anyone anywhere in world to be hungry. The poor countries should grow food on their land. Ofcourse, altho there should be enough food, we can't afford to buy it.

GF should stop Sirica from harassing RN; the doctors shouldn't be examing RN. "I have faith GF can do something about it."

Brown is free to voice his opinion. Would like to see more criticism by the people in military circles. Jewish lobby is extremely strong. Can't ignore the Arabs.

Inflation concern. We're taxed on top of taxes! If we don't do anything, we're going to lose our country.

GF's asking the poor to save more and eat less. The poor doesn't have the money to save and it's not fair.

Re: Nessen comment on GF accomplishing in 3 mos. what it took RN 3 yrs. to do: RN did a tremendous job for US and Nessen isn't at liberty to comment on any one adversely at all. It's not true and Nessen shouldn't gore a fallen Pres.

MISC. COMMENTS:

Opposed to GF's attitude toward Gen. Brown.

Against GF not including Scoop Jackson in trip briefing w/ the other Hill leaders. GF can't face someone w/ a different opinion.

Con antitrust action w/ AT&T. It came at an especially bad time with inflation.

Concerned that nothing is happening w/ the Seabed legis. Caller noted that when the oil scum volume becomes too dense, we won't be able to breath because the oxygen supply will be reduced.

Re: inflation; GF should tell the US not to be afraid. Fear is our problem. People who have the means to spend, should.

Felt Nessen's remarks on the summit were in poor taste. Who does he think laid the ground work on the USSR summits and arms control? The MD's who went to examine RN were harassing RN.

GF should reverse his previous statement about being thrifty and tell US they should buy. Too many auto workers are jobless. If we stop unemployment, it will "help the economy". GF should say he made a mistake. I love GF and BF.

It's a terrible mistake GF vetoed the vets educ. bill.

Caller suggested each person put in 1 hr. extra daily w/out pay for a 2 mos. period. "Our main problem is productivity."

"Vets should have priority over foreigners." Caller is ashamed of GF turning down the vets bill. But, she supports GF and says he's a fine man.

Mad at veto on vets bill. Without an education the vets will be "dummies" and it will hurt the economy more than if the pay increase were originally given.

Concern over lay-offs at Ford. Also, interest on savings accounts should be tax exempt rather than those who borrow money being able to take it off their taxes. Make people save rather than spend. And, relax emission and safety standards on auto.

GF can forget ~~it~~ in '76 since he didn't sign vets benefits.

Altho GF was probably right on the fiscal problem w/ the vets legis, the vets are disappointed, disallusioned and really turned-off.

Vets bill wouldn't be inflationary as the GI's will be educated, seek employment and pay more taxes.

MISC. COMMENTS:

From a vet: "When there's a war, the vets are called on and some have to leave college. But when the vets need education benefits, they are denied them." GF lost my vote.

Beg for Haile Selassie's life. Stop all military and economic aid to Ethiopia.

The killing in Ethiopia isn't going to change the past.

US spends crazily. We send billions of dollars overseas to govts the US people want deposed: SVN and S. Korea.

Disturbed about US grain policies for the world. We should help others. Remove Butz. Don't recognize PLO. Don't drop Israel from UNESCO. Gen. Brown should be removed.

GF should stay in US and take care of inflation problem.

Complaint over GF's veto of vets bill. If GF were in trouble, the vets would come to his aid. But it wouldn't be so w/ the intelligensia, the draft dodgers and deserters, the East. lib establishment.

Thanks to GF at Thanksgiving time. He's been an excellent Pres.; especially during a tough time.

US has a responsibility to speak out against H. Selassie's execution.

Support Bartlett Amendmt HR 15580: anti-abortion.

Wanted to wish GF well on Thanksgiving. Welcome back. Hope GF has a blessed Thanksgiving.

GF should put some Episcopalian's in Admin. NR's a Baptist!

Trucking industry should be investigated. Fuel is wasted.

US sent half a billion dollars to S. Korea but we don't back medicaid and vets didn't get their increase. Wish BF and family well.

Veto of vets legis one of dumbest things GF's done. "Hope to see Jerry in the unemployment lines w/ me."

MISC. COMMENTS:

Urge 10% of all US military transports to be used exclusively for emergency relief and rescue work in India, the Sahara, and elsewhere. Brezhnev should do the same.

Rocky's too wealthy. Con nomination.

GF's ruining, destroying the economy. Tulsa, Okla.

Resent Rose Woods and Ron Ziegler still being on the USG payroll.

1300 MIA's are rotting in SE Asia. US is lax in letting the war resisters get clemency when we should first be worrying about the MIA's.

Why doesn't GF freeze prices?

Trim the budget elsewhere, but don't cut back on foodstamps. W/ high unemployment, those people need food stamps.

FORD has a better idea. GF's restored faith in the Presidency. He's handling things well.

GF's a good man and a good Pres.

MISC. COMMENTS Re: Butz

Butz' remark deeply offended the Ital-Ams and was an insult to the Pope.

If Butz' isn't removed, GF won't get man's vote next time in '76.

B is highly insensitive. Remarks were crude. Hope GF has enough courage and integrity to dismiss the long overdue RN appointees in the Cabinet. Admire GF. Remarks offensive to Catholics.

Would hate for GF to censure B. Woman heard the same joke on the Johnny Carson show this week.

GF should back Butz and should have backed Brown. The idea of making a big thing of every comment someone makes is bad. The media is terrible because it puts a slant on all such statements.

B should watch his comments. Resign.

B should be off the payroll.

Regrets B' mocking remark. It was very insulting to all parties concerned. GF should meet w/ a Catholic ethnic group about bias (ethnic) and the discrimination that's evident.

Resign. An apology isn't sufficient.

The matter is hilarious. I'm a Catholic and the Catholic Church has been playing politics for centuries. B shouldn't apologize.

Con B. Her religious liberty has been violated by Butz being in office, Rocky's nomination and 3 fed. judges in Wisc. which ruled that non-distribution of contraceptives is unconstitutional. She doesn't want to pay for abortions out of her tax money.

B remarks were snide.

B insulted the Catholics and it was demoralizing as a human being.

Agree w/ Butz on the Pope's statement. In full accord w/ B. Hopes GF will back B up.

It's not B' prerogative to make a comment on religion. It was stupid. And, anything in the internat'l arena should be left to HAK.

Remarks were an insult to Catholics, the Pope, and Italians. Remove him for blatant prejudice. It's a disgrace when he conducts himself as a blatant moron. GF should give the extra grain to hungry nations.

Appalling.

B ridiculed the Pope. Remove. Feed the poor. GF Admin. is anti Catholic w/ Rocky, Butz, and HEW money spent on abortions.

Protest B mimicking the Pope. B should apologize.

Keep B. Glad to see him stay if he wants to.

B remarks were out of order. B and GF have got to go. An apology isn't enough.

B has a perfect right to his opinion. GF shouldn't reprimand him or make him apologize. The Ital-Am community better grow up; they can't joke about themselves. They get all bent out of shape. The only mature groups in the US are the Jews and the Texans. They laugh at themselves.

A Catholic agreed w/ B and said the Pope has an unrealistic point of view about birth control and abortion.

If B doesn't apologize in public, then people will say things about the Catholics and get away with it altho people wouldn't dare say anything about Blacks. GF showed loss of rights and respect for Catholics by nominating NR.

B is worse than Brown. If Butz spoke w/ a Negro accent, they'd hang him.

We should be concerned w/ birth control. The US isn't a bottomless bread basket. Support B.

Irate!!!!

B was very insensitive. Comment was in poor taste. GF should act. Reprimand isn't enough.

GF shouldn't censure B for what he said. He hit the nail on the head. He has a right to say what he thinks. If the shoe fits, the Pope should wear it. People should help themselves.

Very, very disappointed in GF and his Admin. Fire B. "I'm sick of this kind of govt." If GF doesn't get on the ball, he won't be the next Pres.

Morale is low enough in the US w/out this remark against the Pope.

Apologize or resign.

It's a lot of commotion about nothing.

I don't think B was intentionally being disrespectful but trying to get across a point. I'm sure he accepted and respected the Pope's comments at the food conf. But, since the US is philanthropic, those nations receiving our aid should atleast be philanthropic in word, if not in deed to attempt to do their part.

Commend GF's action towards B. But, B should resign since he made this comment, handled the USSR grain deal and other snafu's.

100% for Butz and GF. Women is Catholic, but said remark was taken in the wrong way. Pope should get "more modern".

GF's disgusting if he keeps B. He's incompetent to keep people who worked for an incompetent Pres. (RN.). B. should resign.

B should be fired. USG has no right to interfere w/ religion or vice versa.

Am behind B. Birth control is the only sensible remark B has ever made. The world will only feed so many people. As a farmer, he and many others are sick and tired of feeding people who sit around and have babies.

B is doing a pretty good job...in helping the farmers and he understands them. Farmer from Springfield, Ill.

B made a slur on the Pope. Resign.

If GF censures Butz or requires an apology from him, then I'll (Pastor, of the Grand Rapids, Mich. Pentecostal Church) campaign against GF in '76. B has as much a right to say what he thinks as does the Pope or Catholics.

Protest B. Never considered him able for Ag Secy. GF and Admin. has gotten her last vote if she doesn't hear more than a white-washing apology.

B is stupid, unreligious and un-American. Fire him NOW!!!

Disturbed over comment. Fire.

GF shouldn't ask B to apologize. We shouldn't have to apologize to the world when it's the truth.

Sick and disgusted GF called B "on the carpet". We're not under the Pope. We're Americans. GF should apologize to B. Caller won't vote for GF again. GF's for the millionaires and wealthy.

B insulted the 45% US Catholics and 92% of the Catholics in N. Am. He degraded the Catholics. It was a stupid episode; unforgiveable.

Catholic woman said she in no way took B' remarks as derogatory against Catholics, Italians, the Pope. The remark was taken out of context and blown out of proportion. GF can't blame B.

B is a complete idiot and has no right to be at USDA.

Distressed. Is GF anti-Catholic? B' remarks were sarcastic. We'll get GF in 2 yrs. LBJ's remarks about GF are true!
