Dr. Mildred S c h e e l

Dr. Mildred Scheel, wife of the President of the Federal Republic of Germany, has been a resident of Bonn since 1969. No stranger to the Rhineland, Dr. Scheel was born in Cologne, 30 kilometers north of Bonn, the daughter of a physician and an American mother.

Prior to her marriage to Walter Scheel, Mildred Scheel lived in Munich pursuing a medical career which she had decided on while still a school girl. After graduating from secondary school, she began her medical studies in Munich where she accepted an appointment to a University medical clinic. Following her father's footsteps, intending to eventually take over his practice, Mildred Scheel specialized in radiology.

Long interested and active in the fight against cancer, Mildred Scheel founded the Deutsche Krebshilfe (The German Cancer Research Fund) shortly after the election of her husband to the Presidency of the Federal Republic on the 15th of May 1974.

The Scheels have two daughters, Cornelia and Andrea-Gwendolyn, and an adult son, Ulrich, from the President's previous marriage. They also have an adopted Bolivian son, Simon-Martin.

While extremely interested and active in political matters, Dr. Scheel manages to find time to pursue her interests in reading, music, the theater and skiing. She is known as an excellent hostess whose intelligence and natural grace are much admired. The First Lady is not only well liked but regarded by those who know her as a friend.

Dr. Mildred Scheel

Frau Dr. Mildred Scheel, die Gattin des Präsidenten der Bundesrepublik Deutschland, lebt seit 1969 in Bonn. Bis zu ihrer Heirat mit Walter Scheel war sie in München ansässig. Dennoch ist ihr das Rheinland nicht unbekannt, denn nur dreißig Kilometer von Bonn entfernt, in Köln, wurde Frau Scheel als Tochter eines Arztes geboren, Ihre Mutter war Amerikanerin.

Schon in ihrer Jugend wurde Mildred Scheel der Arzt-Beruf ihres Vaters zum angestrebten Ziel. Nach Absolvierung der Oberrealschule folgten Studien und Examen in München und eine Tätigkeit als Medizinalassistentin an einer Universitätsklinik in München. Um die Röntgenpraxis ihres Vaters übernehmen zu können, ließ sich Mildred Scheel zur Fachärztin für Röntgenologie ausbilden.

Um einen langgehegten Wunsch aus ihrer Studienzeit zu verwirklichen: die Bekämpfung der Krebskrankheiten, gründete sie, nachdem ihr Mann Bundespräsident geworden war, am 25. September 1974 die Deutsche Krebshilfe e.V., die seitdem einen großen Teil ihrer Zeit in Anspruch nimmt.

Frau Dr. Scheel ist Mutter zweier Mädchen - Cornelia und Andrea Gwendolyn - und eines erwachsenen Sohnes - Ulrich -, der aus der ersten Ehe des Bundespräsidenten stammt. Walter und Mildred Scheel haben außerdem den kleinen Bolivianer Simon-Martin adoptiert.

Frau Dr. Scheel, die sehr an politischen Ereignissen Anteil nimmt, hat nebenher noch einige "hobbies", sie liest gern, hört viel Musik und geht oft ins Theater. Als Sport betreibt sie Golf und Skifahren. Sie ist eine ausgezeichnete Gastgeberin, die ihre Besucher zudem durch ihre Klugheit und Natürlichkeit besticht. Der Frau an der Seite des "Ersten Mannes" im Staate wird in Bonn nicht nur Sympathie, sondern von vielen auch Freundschaft entgegengebracht.

MEMORANDUM FOR:

RED CAVANEY

FROM:

PETER SORUM

SUBJECT: MRS. FORD'S PARTICIPATION IN THE PRESIDENT'S VISIT
TO BONN, GERMANY

Following our meetings and site surveys in the Bonn, Germany area as well as a review of the President's schedule, I will propose the following to Mrs. Ford.

- 1) That she participate with the President in the arrival ceremony on Sunday morning.
- 2) Dependent upon answers received from Protocol, she join Mrs. Schmidt following the ceremony for tea.
- 3) That she depart via motorcade to return to Schloss Gymnich for a private day.
- 4) That she join the President for the courtesy call and dinner aboard the boat on the Rhine.

I am also exploring the following options:

- 1) That she consider joining the President on the visit to Heidelberg.
- 2) That she invite Mrs. John Sherman Cooper (Lorraine) to join her for a lieisurely lunch at the residence.

There is a possibility that Mrs. Scheel will want to host a luncheon for Mrs. Ford which was a proposal under the original plan as presented by the government at the host government meeting. We have several tour type options available to add to her schedule should she so desire. My personal feeling is that the private day to permit her to adjust to the time change and early ceremony will be best.

My contact for Mrs. Ford's schedule in Bonn is Gerald Monroe of the Embassy staff. He will be working through Dewey.

PETER SORUM

SUBJECT: JACK FORD'S PARTICIPATION IN THE PRESIDENT'S VISIT
TO BONN, GERMANY

Following our meetings and site surveys in the Bonn Germany area as well as a review of the President's schedule, I will propose the following to Jack Ford:

- 1) That he participate in the dinner Sunday evening on the Rhine.
- 2) That, dependent upon Protocol and the desires of the President, he not participate in the arrival ceremony or the courtesy call.
- 3) That he consider Joining the President on the trip to Heidelberg.
- 4) That he spend any social time on Saturday in Cologne and Sunday in Bonn.
- 5) That his visit with a Forcemeister be scheduled based on his decisions on the above.

Larry Nelson, who has been assigned by the Embassy, will work through Dewey, is exploring the possibilities for Jack's participation in an orienteering contest as well as a "Folks Wander" where villages go out into the forests and follow a prescribed course, which results in a medal for the number of kilometers walked.

I have planned on Jack staying with his parents where he can jog on the grounds. Ron Jackson through Wilbur Jones has asked about the possibilities of weights being available at Gymnich. For additional exercise or in case of rain, there are facilities at the Embassy Club.
