*Nice Family
7/12*

6770 South East Street, Apt. 9
Indianapolis, Indiana 46227

April 6, 1971

The Honorable Richard M. Nixon
The White House
Washington, D. C. 20500

Dear Mr. President:

Our Nation's freedom was born in the families that formed our thirteen colonies.

Our systems of justice, government, education and worship are all grounded in the family.

Unity without uniformity, courage without recklessness, faith without blindness, and hope without dependence are all products of the American family. We did not create them. We discovered and applied them.

In the American family lie the seeds of greatness. In the present tide of attacks upon the sanctity of the family and home lie the roots of our destruction.

If wars are ever to become past history and peace the light of day, the families of this Nation will have seen to it. If poverty is truly abolished, it will be because families cared about others. If illiteracy finally is banished, it will be by families who fear ignorance. If harmony is to return to our land, it will come only because families have practiced tolerance, patience, understanding, and affection to their own and to others. If prosperity is ever to be a natural part of our daily living, it will first emerge from homes where the spirit flourishes and where materialism is of second importance.

Lay before each American family the continuing challenge to save and preserve freedom, dignity, honor, and mutual trust among the people.

National Family Week will be a period of annual renewal of all that made this land the place where freedom is born every moment of every day.

There must be a positive response to those who have rendered the verdict that the family is no longer of any value; has no purpose; and is useless in today's cruel crises.

Let that response be a National Family Week.

Let it be within the traditional week of Thanksgiving.

Let every succeeding President, each year, proclaim its high purpose.

The Honorable Richard M. Nixon
April 6, 1971
Page 2

Let every public official most responsible to citizens of towns, cities, counties and states echo that proclamation.

Then, let us be about restoring the family to its proper role in our national life.

Sincerely,

Sam Wiley

Miss Joanne Lee Gordon
Administrative Aide
The White House
1600 Pennsylvania Avenue
Washington, D. C. 20500

Dear Miss Gordon:

My belated thanks to you for sending to me a duplicate copy of the President's National Family Week proclamation. It is very much appreciated and treasured.

The enclosed copy of a radio broadcast by Melvin Munn of Dallas, Texas presents an account of my travels and endeavors toward the adoption of a National Family Week.

The time is at hand to move toward getting a National Family Week adopted for 1973. May I have permission to have the President's proclamation for 1972 copied for the purpose of distributing it to Governors of the several states and others interested in the idea?

Another question of great interest to me: Is the signature on the duplicate proclamation that you were kind enough to send to me the President's actual signature? This question has been widely asked and I hope my inquiring is not out of order.

Again, thank you and our great President for such thoughtfulness and please convey my thanks and the thanks of many others in this area for the tremendous accomplishments regarding the Viet Nam conflict and the return of our soldiers from prison camps. His efforts are deeply appreciated.

The enclosed letter I sent to Mr. Nixon in April, 1971 is a summation of my reasons for a National Family Week.

Sincerely yours,

Sam Wiley

Dear Mrs. Martin:

Thank you for your recent letter. It was kind of you to let us know the outcome of the Flag Day celebration at Fort McHenry. It sounds like it was a very successful event, due in no small measure, I am sure, to the work of your organization.

With regard to your not having received a copy of the Flag Day Proclamation, I am afraid the fault is mine. In checking the file, I discovered that I had neglected to include the Flag House on my final list of recipients. It was an oversight on my part, and I am very sorry. Unfortunately there are no additional Proclamations, so I am unable to rectify the situation by sending you one belatedly. However, I shall place the Flag House at the top of my list for next year's Proclamation.

My thanks for all your help, and once again, my apologies for the error.

With best wishes,

Sincerely,

Marguerite McAuliffe

Dear Miss McAuliffe,

Mr. Jean Hofmeister, President of The Star-Spangled Banner Flag House, and the Directorate have asked me to express to you our appreciation for the interest shown to The Flag House with regard to the President's proclamation of National Flag Week, June 9-15, 1974. It was thoughtful of the President to inquire about our active Flag Week members, who appreciate the honor of this proclamation.

You will be glad to learn that we had fair skies and a nice breeze from the Ferry Branch of the Potomac River where the great United States Coast Guard performed their miraculous air/sea rescue. The entire show was splendid in every respect. We were extremely impressed with the new Coast Guard Admiral and Commandant - Owen W. Siler - who spoke with gracious mien and took the salute of the Drill Team with easy simplicity, Rear Admiral Ross P. Bullard, Commander of the Fifth District, also attended the luncheon and ceremony and appeared a fine officer. Now we are all Coast Guard fans.

It seems anticlimatic to have to say that our own proclamation has never arrived. We wonder whether our noble Post Office has failed us or if we got caught in the slip-stream. In any case I thought I had better report to headquarters! Thank you again for your concern with Flag Week. We often feel that The Flag House has really kept Flag Week alive and waving.

Sincerely yours,

Mary-Paulding Martin
