cm

February 3, 1976

What is your position on abortion?

I'm in a moderate position in that area. I do not believe in abortion on demand. I do not agree with the Court decision of 1971. On the other hand, I do not agree that a Constitutional amendment is the proper remedy. I think we have to recognize that there are instances when abortion should be permitted.

The illness of the mother, rape or any of the other unfortunate things that might happen, so there has to be some flexibility. I think the court decision went too far. I think a Constitutional amendment goes too far. If there was to be some action in this area, it's my judgement that it ought to be on a basis of what each individual state wishes to do under the circumstances. Again I should add, even though I disagree with the court decision, I have taken an oath of office, and I will, of course, uphold the law as interpreted by the court, but I think there is a better answer.

decision
Doesn't the Supreme Court/itself seem to move against any possibility that the state can take any local action?

That is correct, but if there is to be a Constitutional amendment and there are some suggestions in the Congress now that would permit each state on its own through a vote of the people or through its/^{state}legislative branch to adopt its own state regulations. If there is to be one, I think that's a preferable answer rather than the one that's recommended by others.

But under the Supreme Court decision, that would presumably
take a Constitutional amendment to let the states do that.

That is correct.

FLORIDA TRIP:

Re the phone situation in St. Petersburg, the GT&E has agreed to supply phones for the trip. So, things will be as usual with the WH supplying the usual arrangements.

RMN PARDON:

A question was raised in the briefing concerning a Bob Woodward piece saying that 4 of the 7 House Judiciary Subcommittee members wanted to review the President's pardon decision of RMN. Ron answered that the President has said before that he told the complete and accurate story to the Hungate Commission.

PIKE COMMITTEE:

There was much discussion in the briefing today (which took up 90% of the briefing) concerning leaks of the Pike Committee draft report. This discussion evolved from a Village Voice leak. Max Friedersdorf called an Assistant of Carl Albert's to offer on behalf of the President, the full resources of the Executive Branch in helping the Speaker do whatever he decides to in conjunction with determining the source of the leaks. The President's disposition in this matter is that the leaks originated from the Hill. These leaks are in violation of the agreement between the WH and the Committee regarding the declassification of classified material. This was a solemn agreement and the President is confident that no one from the Exec. Branch leaked the material in the Village Voice because the Administration is interested in protecting National Security by unilaterally declassifying information. The President has not initiated any investigation of the Exec. Branch in this connection because as mentioned above, he is confident that the Exec. Br. is not the source of these leaks.

CIA RECOMMENDATION: The President's recommendations on the CIA will be ready within the next 2 weeks.

SCRANTON, RETURN
TO N.H. & N.H. RADIO
INTERVIEW:

No nomination for filling the vacancy left by Pat Moynihan. No return date, if any, set for N.H. and no transcript of the N.H. radio interview today.

PUBLIC WORKS VETO:

90% chance not today.

HAK & SALT (the continuing saga):

Ron was asked whether or not there was some disagreement within NSC regarding the SALT agreement HAK presented to the Russians. Evidently there was a provision for more bombers and less missiles (if you can imagine that!!!!?) When asked if the President sanctioned that, Ron indicated that HAK stuck to instructions and agreed upon position of the U.S., HAK didn't exceed his instructions.

TO MORROW:

No briefing tomorrow. We will have tomorrow morning's schedule available this afternoon. Press bus to the airport will be determined by that schedule.

NEW HAMPSHIRE PRIMARY:

Last night the President received phone calls from Rumsfeld, Morton, 5 calls from Cheney, the Vice President, and the last call of the night from Mrs. Ford. The President went to bed at about 11:30 p.m. The President arose at about 5:30 a.m. his normal time and heard on the radio the election returns. At 6:35, the President was called to notify him about the wire reports of the NH returns. He indicated that he was delighted. This morning, he came to the senior staff meeting where he said, "If we win a couple more, I think we will, we'll be ready for the finals and I think we will". The President called this (the NH primary) a great "springboard". In relation to this, the President will meet at 6 p.m. with his campaign strategist, Callaway, Morton, & possibly Stu Spencer. Ron is checking on whether or not there will be a briefing or something afterwards. When asked if the NH trip last week in any way affected the vote yesterday, Ron indicated that there was no way to assess that. Finally, the President indicated this morning that he anticipates a clear majority of delegates way before the Convention. The President believes that things are turning his way and that this puts him on the road to victory.

FLORIDA PRIMARY:

When asked if the President expects to win in Florida, Ron indicated that he expects so, but he (the Pres.) doesn't expect to win in all the primaries.

NIXON IN CHINA:

Whether FPN is violating the Logan Act (prohibiting a private citizen to discuss with foreign heads of state matters affecting relations with that country, etc.) Barry Goldwater is saying that he is. Ron really didn't have anything to say on that. He was also asked if the President plans to participate in

the debriefing of the FPN when he returns, Ron indicated that the President does not plan to participate in any debriefing of FPN.

ILLINOIS:

No plans to travel to Illinois.

FLORIDA:

Saturday: at 10:00 a.m. the President will participate in a swearing-in of naturalized citizens at the Dade County Auditorium. About 1200 persons will be sworn-in, and the President will have remarks. At 1 p.m., the grand motorcade will begin (for all those who weren't on the "Great New Hampshire Motorcade" last fall this has been specially arranged for you!) the motorcade will be 4 1/2 hours long.....there will be a stop halfway through to file, talk to the President, etc. The stop will probably be at Spanish River Park in Boca Raton the stop will be about 1/2 hour. There will be evening events. No details.

Sunday: Church in Sarasota. 12:30 p.m. speech at the Sarasota Masonic Shrine Hall. 3:30 p.m. Speech in Tampa, this is the last event of the trip. 6:40 p.m., the President arrives back in Washington
