Brazilian Coffee Freeze

price here way up; ~~go~~ now  
\$ 1.57 / lb will jump to  
\$ 2.00 + bet June 1 + July 1  
because of the P's International  
Coffee agreement; shipment  
being held up.

// prices will begin to  
drop after October.

But political spin very bad;  
may be Congressional investigation.

Solution (Serdman + Parsky briefed)

W.H. should say because  
of prices Senate should  
indefinitely postpone consideration  
of <sup>Coffee</sup> agreement. Then shipper  
countries will have to  
dump their stocks - Aug 8  
date no longer relevant

- must get political control of Resolutions Comtee - 2 votes / state  
∴ each state of equal importance  
(Georgia = N.Y.)

- talk to Ray ↑ ; find out process of ~~the~~ selecting committee.

- Mel Laird chaired in '64 - 5  
should talk to him

- Key - Ray's choice of staff director  
must be strong + w/ us us.  
Massive job; ordinarily  
there would have been a draft  
by now  
→ (we need to put together  
our draft)

- Ray has met w/ Rhodes (part  
chmn)
