THE WHITE HOUSE

REMARKS OF THE PRESIDENT  
AT THE  
PRESIDENT FORD COMMITTEE VOLUNTEERS RECEPTION

TARRANT COUNTY CONVENTION CENTER

2:20 P.M. CDT

First, I want to thank the wonderful band over here. I want to thank all of you who I have had the opportunity to meet and the ones I didn't. I will also thank you because it is my judgment that we have a first-class organization, and we have some wonderful volunteers. With the kind of leadership, with John Tower and everybody else, and some good programs, some good policies at home and abroad, I think we can surprise them and win.

My wife Betty came back from a wonderful trip down to Texas. She was enthusiastic. My son Jack, he came back from his second trip down here. Of course, everyplace I go they say Jack is great, Betty is great. I am getting a little self-conscious.

We have the right programs at home and abroad. We have outstanding leadership with John Tower. We have tremendous support from people like yourselves, and I can't thank you enough for what you have done, what you are doing and, boy, that news could be very, very good Saturday night.

Thank you very much.
