No. 71

STATEMENT OF  
THE HONORABLE HENRY A. KISSINGER  
SECRETARY OF STATE  
UPON DEPARTURE FROM AQABA, JORDAN  
FEBRUARY 15, 1975

I just wanted to thank His Majesty and the Prime Minister for the very warm and cordial reception we received in Jordan. We always feel we are among friends. We reviewed the situation in the Middle East and the results of my trip so far. I told His Majesty that I would return in a few weeks in order to see what concrete progress can be made on that occasion and on that occasion His Majesty was kind enough to invite me to return, and I shall.

Thank you.
