No. 83

ARRIVAL STATEMENT OF THE
HONORABLE HENRY A. KISSINGER
SECRETARY OF STATE
ZURICH, FEBRUARY 18, 1975

Secretary Kissinger: I wanted to thank the Swiss Government and the City of Zurich for permitting me to return here to meet with His Imperial Majesty the Shah of Iran. As you all know, the Shah is an old, trusted and valued friend of the United States and we consider it important to consult with him about the situation in the Middle East, the energy problem, and the world situation. Thank you.
