MEMORANDUM FOR: SECRETARY KISSINGER

FROM: ROSEMARY NIEHO *AAA*

SUBJECT: Presidential Reply to King Hassan  
of Morocco

*Rec'd NSC  
Sept. 27*

The President has just approved the language for replies to congratulatory messages on his assumption of office from world leaders. It is now possible to deal with the special recommendation forwarded by State [Tab I] for a reply to King Hassan's congratulatory message to the President.

State's package and recommendation include the following:

- A July 18 letter from King Hassan to President Nixon on the Spanish Sahara issue which was delivered in Washington when Moroccan Foreign Minister Laraki came here August 5-6 (Tab C)
- A congratulatory letter from the King to President Ford which also (a) expresses appreciation for the President's message of August 9 (that which was sent to many heads of state) reaffirming continuity in US foreign policy and (b) reiterating Morocco's hope for continued close relations with the US. (Tab B)
- A suggested reply for President Ford's signature which focusses heavily on responding in substance on the Spanish Sahara issue which, in effect, answers a letter the King had written President Nixon. (Tab A)

I have problems with this recommendation. In principle, I do not believe that President Ford needs to respond to the letter to President Nixon. In particular, I do not see the merit in using that peg in order to raise the Spanish Sahara issue along the lines that State has suggested in the draft reply. It seems to me that we want to avoid raising this issue at the highest level unless absolutely essential and there is a natural way of doing so by confining President Ford's reply to a response to the congratulatory message.

With regard to responding to the congratulatory letter, the President has now approved some general language to apply to most world leaders and I believe, consistent with what is being done for other leaders, particularly in the Middle East, that concept can also apply to King Hassan. Thus, an acknowledgement to the King would read as follows:

Your Majesty:

Your thoughtful and heartening message on my assumption of office as President of the United States is deeply appreciated. Your Majesty may be assured that all the resources of the American Government will continue to be directed toward our common goal of a true and lasting peace for all mankind, including a just settlement in the Middle East. Subject: Letters from King Hassan of

Attached are a letter from King Hassan of Morocco to President Nixon, delivered by Foreign Minister Ahmed Laraki on the occasion of a demarche to the Deputy Secretary concerning the Spanish Sahara, and a message of congratulations from King Hassan to President Ford, transmitted in English to the Moroccan Embassy and delivered by the Moroccan Charge d'Affaires.

(It would be desirable) for President Ford to reply to both messages, since the letter to President Nixon, delivered during the closing days of his administration, was substantive rather than personal in nature. We are, therefore, attaching a suggested reply for the signature of the President.

Your Majesty:

Let me express appreciation for the full exposition of the Moroccan position on the Sahara issue, as provided in your letter to my predecessor and as detailed by your Foreign Minister upon its delivery. The meetings which Foreign Minister Laraki had with Secretary Kissinger and Deputy Secretary Ingersoll were most useful.

The United States values its friendly relations with both Morocco and Spain. We are very encouraged that there appears to be an active dialogue between representatives of the two governments. Following the visit to Washington of Foreign Minister Laraki and his request that we make diplomatic representations to the Government of Spain, we had occasion to speak with Spanish representatives about the Sahara issue and to make known our hope that the interested parties will reach an amicable settlement of the dispute. We believe that the Government of Spain is sincere in trying to keep open the channels for discussions with Your Majesty's Government. We consider that the visit to Madrid of your Prime Minister and your Foreign Minister and their high level

His Majesty  
Hassan II

reception was a promising development.

I wish to add my personal thanks for your thoughtful message of congratulations on my assumption of Presidential duties. I am very aware of the long tradition of friendship between our two nations, dating back to my country's first Treaty of Peace and Friendship signed with Morocco in 1787. It is my intention to continue this tradition and to seek the same kind of personal dialogue which President Nixon enjoyed with Your Majesty. With the assistance of Secretary Kissinger, I will pursue President Nixon's objectives of close and fruitful cooperation between the United States and Morocco. I pledge, as well, to continue the efforts to build a structure of peace that will include the Middle East, efforts which I know you also support.

Sincerely,

Gerald R. Ford

Mr. President,

On the occasion of the accession of your excellency to the presidency of the United States of America, it is agreeable for us to extend to you our warmest congratulations and sincere wishes for your full success in your high mission.

As we know perfectly your sincere and far-sighted patriotism as well as your practical-mindedness and integrity which have always characterized your political career, we are convinced that under your administration the United States and their great people will live an era of a still greater prosperity.

We do not doubt that your country will fully keep, whatever the difficulties it may encounter, its historical commitments by assuming its own responsibilities for the maintenance and consolidation of peace and security in the world.

Therefore we welcome with a particular satisfaction the assurances that you gave in your 9th of August 1974 message on the continuance of american foreign policy for a real relaxation of international tension and a pursuit of the efforts made by the United States and their Secretary of State Dr. Henry Kissinger with a view to establishing in the Middle-East a just and durable peace based on the evacuation of territories occupied by force and to restoring the Palestinian people to their legitimate rights.

On our part, faithful to our country's secular traditions and its policy which it has assigned to itself since its accession to independence, we remain firmly attached to the ideals of freedom and justice and determined to work, with all that is in our power, for the establishment of international order that may guarantee to peoples the achievement of their aspiration to progress and dignity.

.../...

We place, in this area, great hopes for the continuance of a frank and open dialogue between nations and their leaders and we are firmly resolved to actively participate in this work for peace and progress with friendly countries, among which the United States and their President occupy and will still continue to occupy a privileged place. We know that we can count on your personal action to support the national aspirations of our country and help in the achievement of its socio-economic objectives.

Indeed, as we are legitimately proud of the friendly and confident links which have always existed between the sovereigns of the Alawite Dynasty and the American Presidents since the United States independence. We look forward to the fruitful and cordial relations that we shall have the opportunity to maintain with your excellency and we are convinced that they will contribute to keep and strengthen mutual esteem and cooperation, which happily characterize the relation between our two countries.

Would you please, Mr. President, accept the assurances of our highest consideration.

HASSAN II KING OF MOROCCO

PRESIDENT OF THE UNITED STATES OF AMERICA

Mr President,

In view of the friendly relations that link the Kingdom of Morocco and the United States of America, We consider it Our duty to designate Mr Dr Moulay Ahmed LARAKI, Our State Minister, in charge of Foreign Affairs, as Our special envoy to set forth to Your Excellency Our legitimate claim of Our territories still under colonial domination. This does nothing but mark the continuity of the struggle undertaken by Our late father, MOHAMMED V, and which Our people, under Our guidance, are still waging in order to recover our complete sovereignty.

Motivated by Our faithful adherence to the Chart of the United Nations and Our desire to contribute loyally to World peace, We have been persistently pursuing a conciliatory policy toward the colonial power involved, namely Spain.

However, after nearly twenty years of actual independence of the larger part of Our country, Our people and We have grown aware of the dangers surrounding Our territorial integrity. Our long patience was met by the occupant with political, economic and military manoeuvres meant to perpetuate the divide-and-rule policy in Our spoilt Saharan regions.

Therefore, Our people has unanimously decided to take the appropriate measures toward the liberation, in the shortest possible time, of Our occupied lands, thus doing justice to Our subjects residing there.

While We firmly believe that your love for peace and freedom and your vast experience in international affairs will help you understand the justice of Our cause and appreciate Our determination to defend Our rights, We are calling upon your diplomatic and moral support for Our endeavours to settle an issue which the colonizing country, lagging behind human progress, faces with exceeding obstinacy.

With the best wishes and highest consideration.

السلام عليكم ورحمة الله وبركاته ،

لنا، في شخص الدكتور أحمد العراقي وزير دولتنا المكلف بالشؤون الخارجية الذي  
أنطنا به مهمة سامية إذ أمرناه أن يشرح لكم موقفنا من قضية الأراضي المغربية  
التي لا تزال خاضعة للحكم الاستعماري. وما ذلك الموقف إلا امتداد للكفاح  
الذي دشنته والدنا المغفور له محمد الخامس، تغمد الله برحمته، والذي ما فتىء  
شعبنا يخوضه تحت قيادتنا، من أجل استرجاع سيادتنا الوطنية كاملة غير منقوصة  
وما سياسة الوفاق التي نهجناها تجاه الدولة المستعمرة لأراضيها،
