Dear Mr. President:

Though this may be somewhat premature, I feel confident that you will be elected to serve a full term on November second.

You have through your hard work and perseverance restored the people's confidence in their President and earned their respect and admiration. Earlier this year, in April, when the Republican Party seemed to be aimlessly split, you inspired me with the confidence to publicly endorse your candidacy in the California primary and actively work for your nomination. I know now that it was the right decision then; please accept my heartfelt praise for the fantastic job you have done in bringing the party and the Nation together in these brief months since the G.O.P. Convention.

The next four years will undoubtedly be as difficult as the last two have been, but your seemingly boundless dedication to the tasks at hand will see you and the Nation through to continued peace and steady improvement in the economy.

Cordially,

Dr. Thomas J. Clark
Mayor
