THE PRESIDENT HAS SEEN...

RN

November 23, 1976

Dear Mr. President:

I would like to add my voice to the many thousands of millions of Americans who have said thank you for a job well done. Personally I regret that you are not going to have an opportunity for another four years in the Oval Office but, as you have said, you have nothing to be ashamed of for the campaign you waged.

Your successor has many things to thank you for, but I think the most important is that you have restored faith and credibility to the Office of the Presidency. Now it's up to President-elect Carter to build on this.

I hope that you will continue to be active in the political affairs of our country, particularly in helping to reaffirm and strengthen the two-party system. I'm sure the members of both parties would welcome your role as a senior spokesman for the Republican Party.

Very respectfully yours,

Ralph Davidson
