THE PRESIDENT HAS SEEN....
CRAGWOOD
FAR HILLS, NEW JERSEY 07931

3rd November, 1976

Dear Mr. President,

It was with great sorrow that I watched the returns the other night, and I look to the future with some concern and apprehension.

The message read by Mrs. Ford was noble in its sentiment, and, as you so wisely counsel, "We must all join hands now to work together for the good of this great nation." Your message filled our hearts with admiration, compassion for you and your family, and a sense of deep regret that this country will be without your great leadership. History will record with gratitude and respect your dedication to this nation. I, for one, will treasure the years which you spent in the White House, and the small way in which I could help you, Mr. President, in foreign policy, and participate with Mrs. Ford as a member of the Committee for the Preservation of the White House.

It would always be a privilege to help you or your family, and I hope that our paths will continue to meet. You will remain in my prayers, and I send you and Mrs. Ford my respectful esteem and devotion.
