THE PRESIDENT HAS SEEN

GLENN FORD

Dear President and Mrs. Ford -

I'm sure you both are well aware of our deep feelings regarding the outcome of the election -

Although our meetings were few and short, we both came to regard and love you as our friends

We have read with great interest of the possibility that you and the family might be considering making a home out here Please know that nothing would make us happier if we could see you both again - And it goes without saying, that you and Betty would be most welcome anytime in our home in Beverly Hills -

With love and respect always,
Cynthia & Glenn Ford
