Dear Jerry and Betty:

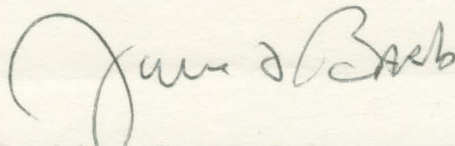

When you have 38 million people in this great country that voted for you feeling the way we do in Grand Rapids, things cannot be all that bad.

What you have accomplished in establishing trust and honesty to the oval office leaves very big shoes for Governor Carter to fill.

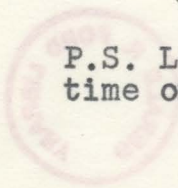

As we all reflect on the vote on a personal basis I am sure we are anxious to have both of you have a much needed quiet time.

It was a real thrill to participate in the campaign and quite atomic to find those dedicated people expressing their feelings about you and the family.

Love,

P.S. Looking forward to spending some time on the golf course and beach.
