HOUSE OF REPRESENTATIVES  
WASHINGTON, D. C. 20515

HAROLD T. JOHNSON  
CALIFORNIA

December 1, 1976

MF  
Dear Jerry:

It was most kind of you to drop me a note expressing your congratulations on my recent re-election to the House of Representatives. It has indeed been an honor for me to serve as a Representative of the people of Northern California these many years and I am deeply gratified by their vote to return me in this position.

As you complete your service as our President, I want to take this opportunity to express to you my deep appreciation and personal thanks for your many favors to me as an individual and to me as a Representative of the people of the First Congressional District.

In my opinion you are an outstanding example of a public servant. Throughout your quarter century as a Member of Congress and continuing through your service as our Vice President and finally as our President, you have been an important voice in shaping the future of this nation and you have shown time and time again that a man of high moral conviction, dedicated to the true spirit of America and ever aware of his obligations to the people of this nation can indeed succeed and be a leader of this great nation.

As you begin a well deserved lessening of the burdens of office, I hope you will keep in touch personally and will continue to share with the American people your wisdom and counsel.

Albra and I extend to you, Betty and your charming family every wish for success as you undertake your new activities.

Sincerely yours,

  
HAROLD T. (BIZZ) JOHNSON
