The Honorable Gerald R. Ford  
President of the United States  
The White House  
Washington, D. C.

Dear President Ford:

Naturally we are all very disappointed with the result of Tuesday's election; however, this letter is not one of condolence but rather one of thanks.

As an alternate Delegate to the Republican National Convention and a full supporter of your candidacy, I am pleased and proud to say I worked diligently for your election. I did so because I feel you have performed in an outstanding manner these past two and a half years.

I am sure history will look upon your tenure in office as one of great significance. You came to the American people when they needed someone like you most. You restored our faith in the office of the President. You began to move us in the proper direction in all areas. You accomplished what few men could have accomplished. For this I thank you and remain proud that I was able to do my part in an effort to keep President Ford President of the United States of America.

On behalf of my wife, myself and the thousands of voters of Elmwood Park who believe in what Jerry Ford stands for -- thank you.

Sincerely,

*Richard A. Mola*
