President Gerald R. Ford

Dear Mr. President:

All of us in Sarasota are very disappointed about the election. We can only imagine how you must feel having experienced the exaltation of Kansas City and having campaigned so hard and long. Please know that your many friends in this part of the country share with others throughout the Nation the knowledge that you are the man who should lead the country through the next four years. However, eventually all of us must accept the finality of our democratic process and resume efforts once again to achieve our common goals.

The Rollings and the Getzens and your many friends in Florida hope that you will visit us again very soon. Who knows, you might want to consider making Sarasota your home. We hope you will agree it compares very favorably with California.

With all best wishes to you and Mrs. Ford and your family.

Kindest regards,

C. Dana Rollings
