Dear Mr. President,
Just a note to tell you how deeply disappointed I was that you were not elected to a full term. It is considered polite to say that America has lost a great leader, but I want you to know that I
(over)

deeply feel that to be the
case. There are many that
I respect here in Washington,
but you are one of the truly few
that I look up to as an
example. I hope that the
future holds still other
triumphs for you, and I am
especially proud to call you
a friend.
