The Honorable Gerald R. Ford  
President of the United States of America

Dear Mr. President:

I just wanted to tell you once more what a tremendous job you have done as our President.

You have returned dignity and credibility. You have brought peace to the United States. You have made family life such a reality that many families are returning to each other. You've done all the things necessary to start our economy back toward a sound growth pattern.

I have enjoyed working with you and for you over these past two years as a member of your Export Council, the ACTN trade group and the U.S.-U.S.S.R. Trade and Economic Council.

One of my great joys was campaigning for you during the last campaign and I was proud of you and your record. You'll be happy to know that our Congressional District voted overwhelmingly for you and Bob Dole. You'll also be happy to know that Congressman Kindness, who represents our District, was returned to Congress by an overwhelming majority.

All of us at Middletown will never forget you and your visits here. We just hope you'll be returning soon, so that we can renew the very strong ties of friendship that have existed and will always exist between the Ford family and the citizens of Middletown.

Sincerely,

*Bill Verity*
