Dear Mr. President,

It is my deepest regret that you were not elected back into the office that you held so well, in a time our country needed the leadership that you were able to give to it. It is my deepest prayers that President Elect Jimmy Carter is able to do what he says he can do about pulling the country into a solid unit, and reconsiders the outlandish statements he made about this country and its free enterprise system.

I did not have an opportunity to thank you for the signed picture of yourself. You have my thanks, and I hope to be able to thank you in person some day.

Good luck to you in the future, and I know I am but one person in this sea of American citizens, I am sure that there are thousands that agree that you were a good president, and shall be remembered long after.

Sincerely,

Larry L. Warner
