President and Mrs. Gerald Ford
The White House
Washington, DC 20027

Dear President and Mrs. Ford:

Those of us in Grand Rapids who know you are still in a state of shock at the recent election. However, we do want to take time to reflect on the great job you did to restore many people's confidence in the White House and the process of our government. It is obvious that many people are looking for many things that, realistically, we will never obtain; however, it will remain for history to reflect the noble efforts that you made to change the course of our government. Kindest personal regards and our prayers will be with you and Mrs. Ford in your future endeavors.

Sincerely,

Clarence and Maxine Webb
