

FOR COMSEVENTH FLT FROM AMBASSADOR MARTIN

GENERAL CAREY INFORMS ME THAT HE HAS PLANNED C-53 SORTIES EVERY 6 TO 7 MINUTES AND C-46 SORTIES EVERY 4 MINUTES. I DONT THINK WE ARE MAKING THAT SEQUENCE. WE ARE NOW DOWN TO 1500, ALMOST ALL "HIGH RISK" PEOPLE OR OWN EMPLOYEES.

NO ONE WANTS TO GET OUT OF HERE MORE THAN I DO, BUT THE PRESIDENT HAS MADE SPECIAL POINT OF THE "HIGH RISK" CATEGORY. I THINK ANOTHER 30 SORTIES OF THE C-53'S WOULD DO IT, OR A COMBINATION OF BOTH TO PROVIDE THE SAME LIFT.

I HOPE YOU CAN DO THIS BY 2300, AND IF NOT I HOPE YOU CAN EXTEND IT FOR THE ORIG TIME IT WOULD TAKE YOU TO COMPLETE IT.

I HATE LIKE HELL TO THINK OF SPENDING ANOTHER NIGHT HERE.

BT
