Harrisburg Rally, Monday, November 1, 1976

Tomorrow is the most important day of this campaign.
The choice for President is between an experienced leader of performance and action---and a man of many promises and many positions.

President Ford has made us proud again---of our government and of ourselves. He became President during a difficult time, and he has brought America out of those dark days through strong and honest leadership.

America is at peace, and no American is fighting anywhere in the world. President Ford is an experienced and realistic world leader. He has acted to keep America strong and secure.

He has made the tough decisions to improve the economy. He has not been afraid to veto those big spending bills to save your tax money. I hope you'll send him some more Republican help from Pennsylvania in the House and Senate to keep up the fight against waste and inflation.

In everything Jerry Ford has done as President, he has been realistic with you about what government can and should do. He is a man of his word.

Before you vote tomorrow---think about America

Harrisburg, Page Two

in August, 1974 /and America today./ Then I am sure /
you will vote for my husband./

Elect President Ford /and send more Republican
help /in the House and Senate /--so that America can
move proudly /into its third century! /

Paul Harris Fellow Award, Harrisburg, Pennsylvania
Monday, November 1, 1976

Thank you for this award. I am very proud to be the second member of my family to receive this honor from Rotary International.

It is especially exciting to know that this award also means a donation in my name to the Rotary Foundation Scholarship. The work of the Foundation in improving understanding between countries is so vital.

Through Rotary International, you work to improve relations between countries, but your service to your own communities and cities is equally vital. The leadership of Rotarians and the helping hands you extend to those in need help build our country.

I am honored to receive this award. I thank you all, and I hope you remember that other special Paul Harris Fellow in my family tomorrow!
