During the archival processing of the Cheney Files, archivists discovered that President Ford Committee weekly reports 3 and 4 were missing from the collection. In 1990, the Ford Library staff located the missing reports in the President Ford Committee Records (Robert Visser Files, Political Affairs Subject File, "Weekly Reports - PFC") and made these copies in order to complete the set in the Cheney Files.

MEMORANDUM FOR: THE PRESIDENT
THROUGH: DON RUMSFELD
FROM: BO CALLAWAY
SUBJECT: WEEKLY REPORT #3 - WEEK ENDING 7/26

ORGANIZATION - Effective July 28, Lee Nunn will be on board full-time in the capacity of Director of Organization. His duties will include developing the political organization, touching base with key Republican leaders throughout the country, assimilating "intelligence," and serving as the liaison with the Finance Committee.

John Grenier, as a special assistant on a volunteer, expenses paid basis, will begin making key calls in the southern area, particularly among former Goldwater supporters.

ADVISORY COMMITTEE - Anne Armstrong has agreed to be a member of the Committee. Also, Max Fisher has been officially asked by Dean Burch, which apparently was initiated at the request of the President. An updated list is attached.

CHUCK PERCY - I met with Chuck Percy and Doug Bailey on Thursday, 7/24. Chuck has indicated he wants to make available background information that the Deardorff/Bailey firm researched for him, although this material was not turned over to me. Bailey spent time going over their concept for the organization and emphasized the importance to determine a specific program and strategy early. They are to get back to me with a proposal for the firms involvement.
