FROM THE WIRES

Senate 1975 Holidays Announced

Washington (AP) -- With time running out on the present Congress, the Senate's Democratic majority listed today a vacation schedule for the new Congress convening in January. Majority Leader Mike Mansfield said the start of the 94th Congress will be delayed from Jan. 3 to Jan. 14. Then, in observance of Lincoln's birthday, the Senate will recess from Feb. 6 and Feb. 17. The Senate's Easter holiday will run from March 21 to April 7. The next month, in observance of Memorial Day, the Senate will be in a "non-legislative period" from May 23 to June 2. For the July 4th Independence Day holiday, the Senate will be off from June 27 to July 7. Then, in line with recent practice in nonelection years, the Senate will shut down Aug. 1 until Sept. 3 so that members and their families can have summer vacations together. In October, the Senate will take a 10-day recess -- from the 10th to the 20th of the month. But only one day will be taken off for Veterans Day. The schedule of "nonlegislative periods" ended with Thanksgiving of next year. For that, the Senate will recess from November 21 to Dec. 1.
