### THE WHITE HOUSE

## FACT SHEET

#### THE 1974 WHITE HOUSE SUMMER INTERN PROGRAM

#### Background

The White House Summer Intern Program was established under the Nixon Administration in 1969 for the purpose of giving outstanding young people the opportunity to view firsthand the Executive Branch of the Federal Government for a three month period. Interns are selected on the basis of demonstrated leadership ability through involvement in extracurricular activities and academic standing. The program includes full-time work in the staff office to which the Intern is assigned as well as a seminar series with leading government officials. The 1974 White House Summer Interns were selected from a record number of more than 350 applications from all fifty (50) states, the District of Columbia and the Territories. Office assignments are based solely on the requirements of the participating office matched against the applicant's qualifications.

#### 1974 Interns

- This summer the White House is employing thirty-seven (37) outstanding undergraduate and graduate students between the ages of 18 and 24, in the largest Intern program ever conducted in the White House under any Administration.
- -- The thirty-seven (37) Interns are from twenty-three (23) states and the District of Columbia.
- -- There are nineteen (19) female and eighteen (18) male Interns.

-- All Interns are assigned to staff offices within the White House complex and all Interns perform substantive tasks as well as some clerical duties under the direction of the staff member in charge of the office. In addition to their regular office assignments, the Interns attend and participate in seminar sessions designed to give them a broad perspective of the Federal Government. This summer, for example, the Interns have met on an informal basis with the Vice President; the Secretary of Health, Education and Welfare, Caspar W. Weinberger; the Secretary of Agriculture, Earl L. Butz; Counsellor to the President, Anne Armstrong; Special Assistant to the Director of Action, Dolf Droge; Special Assistant to the President for Minority Affairs, Stanley S. Scott; Deputy Special Assistant to the President, Bruce Herschensohn; Special Consultant to the President, William J. Baroody, Jr.; Senator Barry Goldwater and several other members of the Congress.

-- Scheduled to meet with the Interns in the next several weeks are the Secretary of Labor, Peter J. Brennan; the Secretary of the Interior, Rogers C. B. Morton; the Chairman of the Environmental Protection Agency, Russell Train; the Administrator of the Federal Energy Administration, John Sawhill, several additional members of Congress of both parties and representatives of the Supreme Court. Last year the President met with the 1973 White House Summer Interns, and a similar meeting has been requested.

-- The 1974 White House Summer Intern Program began on June 3 and will conclude on August 30.

-- The White House Summer Interns are salaried employees, receiving \$125 or \$150 per week depending upon their status as undergraduate or graduate students respectively. Several Interns included in this total number are being paid by their sponsoring college or university in cooperation with the White House.

-- Internships are available during the summer months only.

#### **STANDARD FORM 171**

# PERSONAL QUALIFICATIONS STATEMENT

## IMPORTANT

## READ THE FOLLOWING INSTRUCTIONS CAREFULLY BEFORE FILLING OUT YOUR STATEMENT

All requested information must be furnished. The information you give will be used to determine your qualifications for employment.

It is IMPORTANT that you answer all questions on your Statement *fully* and *accurately*; failure to do so may delay its consideration and could mean loss of employment opportunities.

If an item does not apply to you, or if there is no information to be given, please write in the letters "N.A." for Not Applicable.

# **GENERAL INSTRUCTIONS**

- Use typewriter if available. Otherwise, write legibly or print clearly in dark ink.
- If you are applying for a specific civil service examination, follow exactly the directions in the examination announcement as well as the instructions for filling out this form.
- For a written examination, the admission card tells you what to do with this Statement.
- If the examination involves no written test, mail this Statement to the office named in the examination announcement. Be sure to mail to the same office any other forms required in the announcement.
- Notify the office with which you file this Statement of any change in your name or address.

# INSTRUCTION RELATING TO SPECIFIC ITEMS ITEM 13. LOWEST GRADE OR SALARY

• Enter the lowest grade OR the lowest salary you will accept. You

will not be considered for any lower grade or salary; you *will* be considered for higher grades or salary. If you enter grade, do not enter salary.

### ITEM 19. ACTIVE MILITARY SERVICE AND VETERAN PREFERENCE

- Five-point preference is granted to veterans if they are honorably separated from the armed forces; (a) after active duty during the periods April 6, 1917, to July 2, 1921, or December 7, 1941, to July 1, 1955; (b) after more than 180 consecutive days of active duty after January 31, 1955 (not counting service under an initial period of active duty for training under the "6-month" Reserve or National Guard programs); or (c) after service in a campaign for which a campaign badge has been authorized.
- If you claim five-point preference, you are not required to furnish records to support your claim until the time of appointment.
- Ten-point preference is granted in some cases to disabled veterans, including veterans awarded the Purple Heart, to widows of veterans, to wives of disabled veterans, and to mothers of deceased or disabled veterans. See Standard Form 15, Claim for 10-Point Veteran Preference.
- If you claim ten-point preference, complete Standard Form 15 and attach it, together with the proof called for in that form, to this Statement.

#### **ITEM 20. EXPERIENCE**

- Take time to fill in these experience blocks carefully and completely. Your qualifications rating depends in a large part on your experience and employment history. *Failure to give complete details may delay consideration of your Statement*. Answers given in this item may be verified with former employers.
- When the block contains experience in more than one type of work (examples: carpentry and painting, or personnel and budget) estimate and indicate the approximate percentage of time spent in each type of work. Place these percentages in parentheses at the end of the description of the duties.

PLEASE READ ADDITIONAL INSTRUCTIONS ON BACK OF THIS SHEET

#### ITEM 20. EXPERIENCE-(Continued)

- Black 1—Describe your present position in this block. Indicate in this block if you are now unemployed or if you have never been employed.
- Blocks 2 and 3—Describe in Block 2 the position you held just before your present position, and continue to work backwards using Block 3.
- Need for additional blocks—If you need more experience blocks, use Standard Form 171-A, Continuation Sheet, or a plain piece of paper. If you use plain paper, each experience block must contain all of the information requested in Item 20 of the printed Statement. If there is not enough space in any of the experience blocks to describe the positions held, continue the description on a plain piece of paper. Identify each plain sheet at the top by showing your name, birth date, examination or position title, and the block under Item 20 from which the description is continued. Attach these supplemental sheets to the top of page 3 at place marked, "Attach Supplemental Sheets or Forms Here."
- Description of duties, responsibilities, and accomplishments Describe each job briefly, including required skills and abilities. Include description of any specialties and special assignments; your authority and responsibility; your relationships to others; accomplishments; and any other factors which help describe the job.
- General Information—If supervision over other employees was one of your duties, be sure to indicate the number and kind (and grades, if Federal Government) of employees supervised by you, and explain your duties as a supervisor under description of duties.
- Indicate in each block of Item 20 the name under which you were employed if it was different from the name in Item 4 of this Statement. Show former name in parentheses after "Description of duties and accomplishments in your work."
- Use separate blocks if your duties, responsibilities, or salary level changed materially while working for the same employer. Treat each such change as a separate position.
- Include your military or merchant marine service in separate blocks in its proper order and describe major duty assignments.
- Experience acquired more than 15 years ago may be summarized in one block if it is not applicable to the type of position applied for.
- Account for periods of unemployment in separate blocks in order.
- Indicate estimated number of hours worked per week in the space provided if you were on part-time work.

Section 3311 of title 5, United States Code, provides that in examinations in which experience is a factor, credit will be granted for any pertinent religious, civic, welfare, service, and organizational activity which you have performed either with or without compensation. You may, if you wish, report such experience at the end of your employment history if you feel that it represents qualifying experience for the position(s) for which you are applying. Show actual time spent in such activity.

#### ITEMS 27 AND 28. MEMBERSHIP IN ORGANIZATIONS

• Answer these questions carefully. Admitted past membership and participation in an organization of the type to which this question refers does not by itself disqualify you for Government employment. Consideration will be given to the nature of the organization, the extent of your participation, and any other relevant facts and circumstances.

### ITEMS 34 AND 35. RELATIVES EMPLOYED BY THE UNITED STATES GOVERNMENT

- A Federal official (civilian or military) may not appoint any of his relatives or recommend them for appointment in his agency, and a relative who is appointed in violation of this restriction can not be paid. Thus it is necessary to have information about your relatives who are working for the Government. In listing relative(s) in answer to question 34 include: father, mother, son, daughter, brother, sister, uncle, aunt, first cousin, nephew, niece, husband, wife, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, stepfather, stepmother, stepson, stepdaughter, stepbrother, stepsister, half brother, and half sister.
- Question 35 is needed because of restrictions in making a career or career-conditional appointment in the competitive service when a person is not entitled to veteran preference and two or more members of his family are already serving in the competitive service under a career or career-conditional appointment.

#### CERTIFICATION

- Be careful that you have answered all questions on your Statement correctly and considered all statements fully so that your eligibility can be decided on all the facts. Read the certification carefully before you sign and date your Statement.
- Sign your name in ink.
- Use one given name, initial or initials, and surname.

The White House Summer Intern Program was begun in 1969 to give outstanding young people an opportunity to view firsthand the Executive Branch of the Federal Government. Each summer between 15 and 25 students are placed in White House Staff offices, offices of the Vice President, the Domestic Council and the Council on International Economic Policy. Jobs range from clerical work to research and assistance in policy areas. Because the program is so limited in number, only those who have demonstrated outstanding leadership ability through involvement in extracurricular activities as well as academic standing are considered. The program includes full-time work in the staff office to which the Intern is assigned and a series of seminars with leading government officials.

November 18, 1974

Dear Elizabeth:

I was glad to hear from you and to know that you are enjoying your studies at Whittier College.

I am enclosing a description of the White House Summer Intern Program which does not operate except in the summer. However, if you are only able to spend the month of January on your project I will see if I can make such an arrangement as soon as I return from the President's trip to Japan, etc.

I did get a letter from Tom Fullerton and if you will share this information with him you will save me writing another letter. I will look into the possibility for him also.

I accompanied the President to Phoenix earlier this week and we brought your father back to Washington where the weather is cooling down and the politics are warming up.

Mrs. Hartmann joins me in kind regards.

Sincerely,

ROBERT T. HARTMANN Counsellor to the President

Miss Elizabeth Rhodes Whittier College Box 8134 Whittier, California 90608

P.S. Elizabeth, Mr. Hartmann dictated this last Saturday, November 16, before they left for Japan the following morning. He asked me to sign it for him. (Neta Messersmith)

October 30, 1974 Dear Mr. Hartmann, Hs you may remember I'm currently a student at Whittier College, majoring in political-science. (what else?). We have incorporated in our curriculum a month of intensive study in one field and this Study can take the form of internship. I was wondering if I might be able to spend my Jenuary as an intern on the white House Staff. I'd be willing to do any job you care to give me and on a purely voluntary basis. If my request should be directed to someone else Id appreciate it if you would let me know so I may write to him. I hope that I will be able to do this as the experience would be very Valuable to my schooling. Jim not trying to get this job purely on the basis of my friendship with you, I do feel I'm qualified. At Whittier

I am a member of the Board of Governor's (the elected governing body of the students), chairman of the Communications Board, a member of the Political-Science Advisory Bound, and a Peer advisor. So you see I am active politically on campus and plan to pursue political-science in graduate school. I hope you will consider these factors and that I'll see you in January! ## WHITE HOUSE SUMMER INTERN PROGRAM <u>FULLERTON, TOM</u> (via)RHODES, Elizabeth

#### November 18, 1974

#### Dear Elizabethi

I was glad to hear from you and to know that you are enjoying your studies at Whittier College.

I am enclosing a description of the White House Summer Intern Program which does not operate except in the summer. However, if you are only able to spend the month of January on your project I will see if I can make such an arrangement as soon as I return from the President's trip to Japan, etc.

I did get a letter from Tom Fullerton and if you will share this information with him you will save me writing another letter. I will look into the possibility for him also.

I accompanied the President to Phoenix earlier this week and we brought your father back to Washington where the weather is cooling down and the politics are warming up.

Mrs. Hartmann joins me in kind regards.

Sincerely,

ROBERT T. HARTMANN Counsellor to the President

Miss Elizabeth Rhodes Whittier College Box 8134 Whittier, California 90608

P.S. Elizabeth, Mr. Hartmann dictated this last Saturday, November 16, before they left for Japan the following morning. He asked me to sign it for him. (Neta Messersmith)

October 30, 1974

Mr. Robert Hartmann Councelor to the President The White House Washington, D.C.

Dear Mr. Hartmann:

I am a Whittier College senior from Memphis, Tennessee who is interested in working for the white House during the month of January, 1975.

Through a good friend, Buffy Rhodes, daughter of Congressman John Rhodes, I have learned of a white House internship program.

In the past I have spent a summer on Capitol Hill working for Congressman Dan Kuykendall, Republican-Tenn. I also attended the 1972 Republican Convention as a Young Voter for the President, as well as volunteering countless hours of work for Republican candidates of all levels.

Could you please advise me as to the proper application procedures and the possibilities of such an opportunity?

Thank you very much for your assistance.

Yours very truly, mJuller

Dear Mr. Shannon:

Thank you for your recent letter in which you enclosed your application forms for the 1975 White House Summer Intern Program.

While we are presently in the process of compiling files on those individuals who are interested in the program, final selection will not be made until early May, 1975.

I should point out, however, that due to the limited number of positions available, the competition for these slots is very keen. I will be in touch with you again as soon as the final selections are made.

With best wishes,

Sincerely,

I hope that you won't consider me too daring to apply to you for a favor that will mean very much to me.

I am applying for a White House internship for next summer. I know that there are more people applying than there are jobs available. My father says that you are in a position to help me.

Therefore, the favor I'm asking is that you help me land a job as a White House intern. I am quite in earnest and I value any help you can give. But whatever you decide, I thank you for the attention you have given me and remain, Sir,

Dear Bob:

I am writing in support of the application of Bruce McDonald of Cherokee, Iowa for a White House summer internship this coming summer. Bruce is a son of our Republican State Co-Chairman, Margaret McDonald.

It is my understanding that Bruce has already forwarded the standard form 171, a complete resume, and his latest school transcripts.

Bruce is a senior at the University of Iowa where he is a member of Phi Beta Kappa as well as Omicron Delta Kappa. He has served as president of his fraternity, Phi Kappa Alpha, as well as president of the Inter-Fraternity Council at the University. Upon his graduation in May, he plans to study law.

Other extra-curricular activities include being a member of the University's champion 440-yard relay team; he is active in intramural sports; and is active in various music groups. He also organized and directed special Greek activities which raised over \$10,000 for a local muscular dystrophy campaign.

I know that Bruce would be a tremendous asset to the White House intern program, and simply wanted you to be aware of my support for him.

Sincerely,

ACHN C. McDONALD Republican State Chairman

Miss Pamela Powell Director for Youth Affairs The White House Washington, D. C. 20500

Dear Miss Powell:

This is my application for the 1975 White House Summer Intern Program. Enclosed are the required school transcripts, Standard Form 171, and the following material explaining why I am interested in becoming a White House Intern.

For many years I have worked in various levels of government and it has made me especially interested in the ability of good government to solve problems.

As you can see in the enclosed Form 171, I have worked in the Department of State, the Department of Health, Education and Welfare, and a Senate office. Through each job I acquired more knowledge and experience in handling administrative responsibilities, research techniques, and relations with other people. By far the most fascinating years were those spent in the State Department where I worked with many Congressional offices to help solve their constituents' problems.

In addition, while at Penn State University, I was involved in student legislation and administration. In my sophomore-junior year I was elected a senator of Undergraduate Student Government. In my junior-senior year I was elected president of West Halls, which consisted of 1,200 students. In that capacity I was involved in exposing and eliminating illegal transactions in a student movie business, drafting a new constitution, implementing social and educational programs, and acting

as a liaison between the students and the administration.

Now as a law student at Catholic University, I have been introduced to a more technical but equally challenging aspect of government. Government is based on law and to understand government one must understand the law.

These three experiences, Federal government employment, student government, and law school have created in me a great interest in government generally. I now look forward to working right in the hub, the White House.

Sincerely,

James S. Cowen

#### DAVID WOOD KINNARD

#### BIOGRAPHICAL DATA

Woody Kinnard, 22, Kansas City, is serving as one of 33 White House Summer Interns for 1975.

The White House Summer Intern Program was established in 1969 for the purpose of giving outstanding graduate and undergraduate college students a firsthand view of the Executive Branch of the Federal Government. This year the interns were selected from more than 1100 applications on the basis of their proven academic ability, extracurricular involvement and demonstrated leadership potential. Kinnard is the first Missourian to serve as a White House Intern.

A student at the University of Missouri--Kansas City Law School, Kinnard is assigned to Robert T. Hartmann, Counsellor to the President, and John T. Calkins, Deputy to the Counsellor. As chief speech writer for the President, Hartmann supervises the Editorial staff and also serves as official liason between the White House and political organizations at all levels.

Since entering the White House on June 2, Kinnard has served Calkins and Hartmann as personal aide in their role as political liason. His specific responsibilities have included preparation of briefing papers and response proposals for the President concerning political issues that have arisen in recent weeks. Prior to his appointment to The White House, Kinnard served for two years as Administrative Assistant to Lt. Governor William C. Phelps in Jefferson City. There he was actively involved in the planning and implementation of Phelp's ongoing Missouri Ombudsman program. Recently, Kinnard worked in the Kansas City office of Attorney General John C. Danforth, Consumer Affairs Division, while completing his first year of law school.

Kinnard was graduated from Westminster College, Magna Cum Laude, in 1974 where he was President of Omicron Delta Kappa national leadership fraternity. Selected to Who's Who in American Colleges and Universities, Kinnard was also one of eight to receive a national Beta Theta Pi Fraternity Founder's Fund Leadership Award.

Kinnard graduated in 1970 from high school in Portageville, Mo. where his mother, Mrs. Kathryn W. Kinnard, still resides. The family earlier lived in suburban St. Louis County.
