THE WHITE HOUSE

WASHINGTON

January 8, 1975

MEMORANDUM FOR: MAX L. FRIEDERSDORF
FROM: VERN LOEN */L*
SUBJECT: Representative-elect George Hansen, R-Idaho
Contested Election

Rep. Bill Dickinson called today to ask that the White House lean on the Justice Department to complete its report on alleged election irregularities in Hansen's apparent victory. Rep. Wayne Hays already has served notice that he will demand Hansen stand aside unless an exonerating report is filed by Friday of this week.

Dickinson is fearful that this will lead to other such demands from both sides of the aisle in closely contested races. For example, Rep. -elect Virginia Smith, R-Neb., finds her opponent has gone directly to Hays' House Administration Committee to demand adjudication of that narrow victory.

Vince Rakestraw of Justice CR says they have been pressing the Criminal Division for six weeks to expedite its investigation. That Division will not divulge anything until its report will be completed inasmuch as prosecutorial charges appear to be involved. Rakestraw has no way of knowing whether the Criminal Division is deliberately dragging its feet or whether it will file its report before Tuesday.

In view of the sensitive nature of this matter, I thanked him for the report and advised him to take no further action in response to our inquiry.

THE WHITE HOUSE

WASHINGTON

April 5, 1976

MEMORANDUM FOR: MAX FRIEDERSDORF
THROUGH: CHARLES LEPPERT, JR. *CL*
FROM: TOM LOEFFLER *T.L.*
SUBJECT: Congressman-Elect Ron Paul

Dr. Ron Paul was born August 20, 1935 in Pittsburgh, Pennsylvania. He graduated from Greentree Elementary School, Dormont High School, Gettysburg College with a BA Degree in 1957 and Duke University Medical Center with an MD Degree in 1961. He performed his internship and residency training at Henry Ford Hospital in Detroit, Michigan and his specialty training in obstetrics and gynecology at the University of Pittsburgh, Pittsburgh, Pennsylvania. He completed the primary course in aerospace medicine and was a flight surgeon in the United States Air Force and later a member of the Air National Guard.

Dr. Paul and the former Carol Wells were married February 1, 1957 and have five children, Ronnie - 17; Laurie - 16; Randal - 13; Robert - 10; and Joy Lynette - 4. They currently reside at 101 Blossom, Lake Jackson, Texas 77566. Their home telephone number is AC 713 297-3102.

Locally Dr. Paul has been active in community affairs, being Immediate Past President of the Lake Jackson Kiwanis and the Current President of the Brazoria County Unit of the American Cancer Society. He is a member of the Board of Directors of Community Hospital and a member of the Brazoria Medical Society. He is a member of the Congressional Action Committee of the Brazosport Chamber of Commerce, a member of the Drug Abuse Committee for the Brazosport Independent School District and on the Steering Committee for the Community Conference on Technical Vocational Education. He is Past President of the Lake Jackson Aquatics Club and a fellow in the American College of Obstetrics and Gynecology.

Dr. Paul ran for Congress in 1974 and received 28.4% of the vote against the incumbent Congressman, Bob Casey. In a special election following the Casey resignation, Dr. Paul and Bob Gammage (a liberal state senator) were pitted in a runoff. The runoff election was held last Saturday, April 3, and Dr. Paul won by approximately 55%. He becomes the first Republican to represent the 22nd Congressional District since its origin in 1958 and the first Republican to represent that part of Texas in modern history.

Dr. Paul is scheduled to be sworn in shortly after noon on Wednesday, April 7.

Politically Paul is very conservative and supports the candidacy of Governor Reagan. However, both Senator Tower and Congressman Bill Archer believe a Presidential telephone call of congratulations would be of benefit to the President.
