THE WHITE HOUSE
WASHINGTON

March 19, 1976

Dear Congressman:

Vern Loen forwarded, along with his own personal endorsement, your letter of March 5 to the President, in which you joined with Congressman Macdonald, inviting him to attend the ceremony for the unveiling of the portrait of Chairman Staggers on April 6.

The President very much appreciates this kind invitation, but his schedule commitments are such that he will be unable to be with you on this occasion to participate in this tribute to Chairman Staggers.

With the President's best wishes.

Sincerely,

FROM:

SUBJECT:

Rep. Harley O. Staggers (D-W.Va.)

The Members and staff of the House Interstate and Foreign Commerce Committee are planning an unveiling and presentation of a Committee portrait of Chairman Staggers. Representatives Sam Devine and Torbey Macdonald are planning to send a formal request to the President for him to attend and participate in the unveiling and presentation of the portrait.

Rep. Devine has asked me to explore for planning purposes if the President's schedule on the dates of April 6, 7, or 8, either at mid-day (noon) or early evening (6-7 p.m.) are open for the President to participate. If so Rep. Devine would like to go ahead with the formal request for one of those dates.

If April 6, 7 or 8 are not available can you let me know what date would be available for the President to attend.

At this time Chairman Staggers is unaware of the event.

MEETING: Congressional Leaders of the Democratic

PURPOSE: Meeting on a variety of legislative and political
subjects

FORMAT: Cabinet or Roosevelt Room
Minimum of one hour

PARTICIPANTS: The President
Congressional Leaders of the Democratic
Research Organization (See attached)
White House Staff Members

SPEECH
MATERIAL: Talking points to be provided

RECOMMEND: Max Friedersdorf

BACKGROUND: 1. The Democratic Research Organization (DRO),
led by Congressman Joe Waggoner and
Congressman Dave Satterfield, consists of
an ad hoc group of moderate to conservative
Democratic Members of Congress.

2. Members of DRO provide strong support
for Administration initiatives and legislative
positions, and their assistance is crucial in
efforts to successfully sustain vetoes.

3. Both Joe Waggoner and Dave Satterfield believe it would be most beneficial if leaders of DRO could meet with the President and hopefully continue such a dialogue by periodically holding such meetings in the future.

MEMORANDUM FOR: MAX FRIEDERSDORF
THROUGH: VERN LOEN *VL*
FROM: TOM LOEFFLER *TL*
SUBJECT: Presidential meeting
with Leaders of the DRO

Near the end of the First Session both Congressmen David Satterfield and Joe Waggoner suggested that it would be most helpful if the President could meet with leaders of the Democratic Research Organization. They noted that during the Nixon Administration representatives of the DRO periodically met with the President.

I recommend that such a meeting be scheduled in the near future and that the format for this meeting be similar to that followed when Members of the Republican Study Group met with the President.

Excellent idea! Get me names of

SCHEDULE PROPOSAL

DATE: March 25, 1976

FROM: Max Friedersdorf

M.F.

MEETING: Meeting with Congressmen Mahon, Cederberg, Passman and Shriver -- all House conferees on the FY 76 foreign assistance appropriations bill and Chairman and ranking member of the House Appropriations Committee and Appropriations Subcommittee on Foreign Operations respectively.

DATE: Monday, March 29, 1976

PURPOSE: To reemphasize your position that additional funding for foreign security assistance in the Transition Quarter is unnecessary and that the levels and proportions adopted by the Senate are unacceptable. This will offer the opportunity to urge the House conferees to stand firmly by the House provisions which offer no additional funding for the TQ.

FORMAT: The Cabinet Room

SPEECH MATERIAL: Talking points will be provided by NSC.

PRESS: To be announced. White House photographer only.

STAFF: Max Friedersdorf
Brent Scowcroft

RECOMMEND: Max Friedersdorf
Brent Scowcroft

OPPOSED: None.

BACKGROUND: Both the House and Senate have now passed the FY 76 foreign assistance appropriations bill and the legislation is expected to go to

conference Tuesday, March 30. The Senate-passed bill contains a total of \$629 million in additional security assistance funds for the Middle East during the Transition Quarter virtually all of which is above your budget request. This figure consists of \$212 million in FMS credits with \$206 million (total sales level of \$375 million) earmarked for Israel, and \$417.1 million in security supporting assistance, with \$175 million earmarked for Israel. The House-passed bill contains no additional security assistance funding for the TQ, consistent with Chairman Passman's undertaking to you not to add such funds in his markup of the House bill. Passman has since indicated, however, that he would concede to the Senate position on TQ funding. Hence this meeting is necessary to reemphasize that you are strongly opposed to additional, selective funding for this period and will veto the legislation if the Senate levels are adopted by the conferees.

Dear Colleague:

Many Members of the House of Representatives have, from time to time, expressed a desire to obtain a better insight into the nature of the military capability of the Soviet Union and the manner in which that capability affects our national security.

Members of the various standing Committees whose jurisdiction relates to military matters are provided this information in a variety of forms, but unfortunately few other Members of the House have access to this sensitive information.

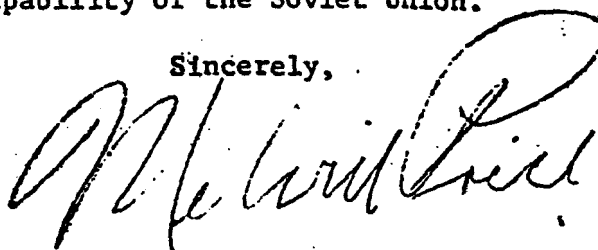

In view of this circumstance, I have arranged to have representatives of the Department of Defense provide a special briefing regarding significant Soviet military and technological capabilities. This briefing must, because of the sensitivity of the subject matter and the various charts and photographs which will be used, be on a classified basis, and therefore limited to Members of Congress only.

This classified briefing is scheduled to be provided in the Caucus Room of the Cannon House Office Building on Friday, March 5, 1976, at 10:00 a.m. Also, for those Members who may find this time inconvenient, a repeat of this briefing will be given in the Caucus Room of the Cannon House Office Building on Monday, March 8, 1976, at 2:00 p.m.

The time allotted for the briefing, including questions from Members, is estimated at approximately two hours.

The costs of national defense are high; consequently, I believe it would be most helpful if every Member of the House, prior to House consideration of the First Concurrent Budget Resolution, became more familiar with the latest intelligence assessment of the military capability of the Soviet Union.

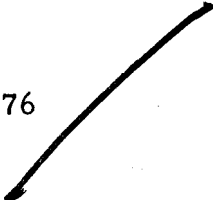

Sincerely,

Melvin Price
Chairman
