SO -- WHENEVER YOU HEAR THAT WORD --

JUST REMEMBER YOU ARE THE FORD-DOLE MOMENTUM.

WE need you and we opposite all you are doing.

AND NOW, I WOULD LIKE TO INTRODUCE MY FAVORITE CANDIDATE.

WHO LOOKS AFTER THE LADIES.

#### TALKING POINTS

- 1. I want to thank your President, Pat Hutar, for the opportunity to greet each of you.
- 2. I am pleased that Pat (Hutar) is serving as a member of my Campaign Steering Committee.
- 3. Since the Federation's founding in 1938, you have made outstanding contributions to the Republican Party and Republican candidates. As the largest volunteer women's political organization in the world, you are the greatest asset the Republican Party has.
- 4. Many of you served as delegates to the Convention in Kansas City. The number of women delegates to our Convention increased from the 1972 Convention. We are proud of the contributions women are making to our Party leadership.
- 5. The issues this year are Republican issues -- fiscal responsibility in Government, a bigger free enterprise, a strong national defense, local control over local affairs and preservation of personal freedom for the individuals.
- 6. With your talent, your enthusiasm and your help, we will have Republican victories in the White House, the halls of Congress, and throughout the States in November.

Biographical Data
Mrs. Laddie F. (Patricia) Hutar
President, National Federation of Republican Women

Patrica Hutar of Glenview, Illinois became the 12th President of the National Federation of Republican Women in January, 1976, and as President will preside over the national organization of approximately 230,000 women.

Since taking office, Mrs. Hutar has worked actively to increase the involvement of Republican women in both local and national politics and to encourage them to run for public and party offices. She has been especially active in the development within the Federation of a new young women's program. New Founders '76 is designed to encourage young women to become leaders in the Federation and in the Party.

Pat has been active in the Republican Party for many years...having served as Illinois state and National Public Relations Chairman, as NFRW Fourth Vice-President, Second Vice-President and for four years as First Vice-President of the Federation. Her service in the Republican Party began as precinct captain in 1955, and she has worked in various county, state and Young Republicans organizations, and served as Co-Chairman of the Young Republican National Federation in 1961-1963.

Pat Hutar served as a member of the Presidential Task Force on Womens Rights and Responsibilities and has twice participated in U.S. Study Tours of the North Atlantic Treaty Organization. In 1974, she was named U.S. Representative for the United Nations Commission on the Status of Women and in 1975 headed the U.S. delegation to the International Women's Year Conference in Mexico City.

Former Assistant Chairman of the Republican National Committee (1964-1965), Pat has been a leader in several Presidential campaigns as Illinois Co-Chairman, (1960 & 1964); as Regional Director for the Women's Division in the 1968 Presidential campaign, and served in 1972 as National Director of Volunteers for the Committee for the Re-Election of the President.

# Building Political Leadership Among America's Women.

We're campaign managers, telephoners, Congresswomen, door-to-door canvassers, state legislators, and state party chairmen. We promote political awareness and recruit qualified candidates—both women and men. We encourage and help women achieve leadership roles in government—in the Republican Party and in the community—as policy planners and decision makers. There are 230,000 of us. We're the members of the National Federation of Republican Women, the largest women's political organization in the United States.

The N.F.R.W. is an autonomous affiliate of the Republican National Committee and is composed of 2,900 clubs in every state, the District of Columbia, and the Virgin Islands. It's a constant resource for political education, recruitment, and training in both on and off election years.

Through issue oriented literature and "nuts and bolts" campaign technique seminars, the National Federation of Republican Women trains and informs women to elect Republican candidates and encourages them to become candidates themselves.

The Federation also:

- Provides an organization through which women who share the principles of the Republican Party can join in Republican activities;
- Distributes political education materials to its clubs on campaigning, raising funds, building membership, planning programs, and maintaining good public relations;
- Encourages the recruitment and support of Republican Women candidates through campaign seminars and such publications as "Consider Yourself for Public Office" (This book is designed to motivate Republican women to become candidates for public and party offices.);
- Recruits new Republican Federation leadership from America's young careerists and homemakers through the N.F.R.W. New Founders '76 Committee:
- Encourages the formation and sponsorship of STAR's (Sub Teen-Age Republicans, ages 9-13);
- Provides research material and legislative information to its members: and
- Recruits talented and trained women to fill appointive positions in Government.

Local federated clubs, both large and small, are the spirit and substance of the National Federation of Republican Women. It is here at the grassroots that women meet regularly in their local clubs to share views about public issues, assist local party units in educating the voters, and build leaders and new ideas for better government and a stronger party.

A Republican Woman's club is a Saturday morning session for new party workers on campaign techniques. It's a state federation and local federated clubs recruiting and supporting a woman candidate with experienced volunteer campaigns and fund raising efforts. It's a Tuesday luncheon featuring a local city councilwoman. It's interested women expressing their position at a legislative committee hearing. It's a barbecue to raise funds for a Republican Congressional candidate. It's all of these things and more. The N.F.R.W.—Building Political Leadership Among America's Women.

#### BACKGROUND INFORMATION:

#### NATIONAL FEDERATION OF REPUBLICAN WOMEN

The Board of Directors of the National Federation of Republican Women meets semi-annually to handle the business of the organization and plan programs for the 225,000 federated Republican women across the country. This fall meeting is September 15-18, 1976, at the Washington Hilton Hotel.

Members of the Board are the Presidents of the 52 state Federations (including the District of Columbia and the Virgin Islands), the national officers, and the chairmen and vice-chairmen of various national Federation committees. The committees conceive programs in such areas as campaign, membership, public relations, special voter groups, legislation, and so forth.

The Board last met in Washington in September 1974, and Mrs. Ford received them at the White House at that time. Some current members of the Board also were members then, some are new. In September 1975, the President addressed the Biennial Convention of the NFRW in Dallas, but Mrs. Ford was not with him. Many Board members were delegates and alternates in Kansas City.

During the Board meeting the women will hear from Elly Peterson, Deputy Chairman for Voter Groups of the President Ford Committee (Thursday afternoon) and PFC Chairman Jim Baker (Saturday morning). Other speakers will also emphasize campaigns; and Friday before they go to the White House they will meet with Senator Ted Stevens, Chairman of the Republican Senatorial Committee, and Representative Guy Vander Jagt, Chairman of the National Republican Congressional Committee. Luncheon speaker that day is Representative Henson Moore of Louisiana.

A major NFRW goal this year has been seeking more qualified women candidates for public and Party office, and of course the Federation's purpose is to provide the trained campaign force to elect Republican candidates at all levels.

The NFRW is sponsoring "President Ford Team Day" on October 23, when events and activities on behalf of the President will take place in communities across the nation. And of course many Federation members are serving in official capacities with state and local President Ford Committees everywhere, mostly as volunteers.

Mrs. Laddie F. (Pat) Hutar was elected NFRW President at the 1975 Convention and took office January 1 of this year.
