KANSAS CITY, MISSOURI

President Ford Committee

1828 L STREET N W SUITE 250 WASHINGTON, D.C. 20036 (202) 457-6400

August 8, 1976

To the Convention Staff:

Welcome to Kansas City and the 1976 Republican National Convention. Each of us has an important role to play in the nomination of the President. It is a time that we all must maximize our efforts in support of the President's nomination.

I would like to extend a special thanks to those of you who are coming to Kansas City in a volunteer capacity. The success of the convention depends heavily upon you, and I trust that each of you will find the convention to be a meaningful and beneficial experience.

As you know, our efforts at this convention have been severely limited by budgetary limitations imposed by the Campaign Reform Act. Therefore, the amenities of this convention are not comparable to those of previous conventions. We have, however, taken every effort within our capabilities to make your stay in Kansas City enjoyable.

Attached is the convention staff manual which I hope you will read and which I hope will answer any questions that you may have.

The convention staff is here to serve you. Please do not hesitate to contact us if we can be of any assistance.

Sincerely,

Stanton D. Anderson
Convention Operations Director

ARRIVAL INSTRUCTIONS

There are some guidelines which you need to be aware of to assist you in understanding the operations of the President Ford Convention Committee (PFCC). Because of the scheduling of other events in hotels in Kansas City prior to the Republican National Convention, all activities of the PFCC will not take place in the Crown Center Hotel.

The President's forces will arrive and depart in four general categories:

A. August 8 - 11

1) Convention Committees participants will be both housed and have their offices in the Continental Hotel. The Convention Committee office will be located in the Continental Hotel, Room 1812-14, telephone no. 467-9520. The Continental Press Support office will be located in the Remington Room, telephone no. 467-9525. The PFCC will have a person on duty to assist in Room 1812-14, telephone no. 467-9520. If the office is closed, you should contact John Shlaes, Director of Housing, on REPEX extension 467-3315.

2) Early arrivals for the convention itself will be housed in the Continental Hotel with offices in the Crown Center Hotel. These people will be moved to sleeping rooms in the Crown Center Hotel on August 14th.

B. August 12 - 20

3) The President Ford Committee charter will depart Washington on August 12th. All individuals on the charter will proceed directly to the Crown Center Hotel for a meeting and briefing session, and then to their offices for instruction and work. Their personal baggage will be delivered directly to the Continental Hotel where they will be sleeping until August 14th. On that date, they will be moved to sleeping rooms in the Crown Center Hotel.

4) Individuals with sleeping rooms on the 17th and 18th floors of the Crown Center Hotel who arrive on the charter, on Air Force One, or on later flights, will report directly to the Crown Center Hotel -- they will not be housed in the Continental Hotel, but will occupy their rooms at the Crown Center Hotel from the date of their arrival.

All other persons arriving in Kansas City on 14 August or later will be housed immediately in their rooms in the Crown Center Hotel.

REGISTRATION

All rooms are to be pre-paid. It is the responsibility of the individual, however, to ensure that the hotel bill has been pre-paid in total since this is the agreed-upon procedure between the Republican National Committee, the PFCC and the hotels with whom they have contracted.

1) Continental Hotel -- your room key will be contained in an envelope with your name on it which you should pick up at the Hotel desk upon your arrival. If you encounter any difficulty, call 467-9520 (PFCC office at the Continental) and ask for assistance. If you still encounter problems, contact the Housing Services office at the Crown Center Hotel (REPEX extension 3315).

2) Crown Center Hotel -- your key will be in the door to your room when you arrive. If you encounter any difficulty, call the Housing Services office on REPEX extension 3315.

LUGGAGE

A baggage system has been devised to assure that your luggage will reach its destination. It is the responsibility of the individual to ensure that the proper luggage tags are placed on the proper bags.

1) Blue tags should be placed on all luggage which is to go directly to the Continental Hotel. This luggage will later be transferred to your new sleeping room in the Crown Center Hotel.

2) Yellow tags should be placed on all luggage which is to be delivered directly to rooms and/or offices in the Crown Center Hotel.

Return tags. For those traveling on Air Force One and the President Ford Committee Charter flight, green tagged luggage will be sent from Kansas City to Vail, while red tagged luggage will be sent to Washington.

Should you lose or misplace your luggage, contact the Housing Director, John Shlaes, in the Liberty Room at the Crown Center Hotel (REPEX Extension 3315).

All individuals with sleeping rooms at the Continental Hotel who are scheduled to move to rooms at the Crown Center Hotel on August 14th should leave their bags outside their room by 9:30 a.m. Please ensure that your luggage is properly marked for its destination at the Crown Center Hotel.

RECEPTION

A reception and information desk will be located just inside the main entrance of the Crown Center Hotel. Anyone who has an appointment should be asked to report to the reception desk where his escort will greet him and take him to his appointment location. Also available at the reception desk will be information regarding Kansas City, the Convention, etc. The reception desk REPEX extension is 3410.

APPOINTMENTS

From August 12th through August 19th, admittance to the Crown Center will be open to the public. To gain admission to convention offices on the 2nd and 3rd floors, the convention corridor on the 5th floor, and the 17th and 18th floors, a photo ID badge will be required. If it is necessary for you to have a meeting with someone in your room, please go to the Appointments Desk on the 2nd floor of the hotel (East Garage Wing) or call REPEX extension 3394.

Please be prepared to provide the following information: 1) name of appointment; 2) approximate time of appointment; 3) where (extension) you should be notified when your appointment has arrived; 4) your name; and 5) where you will meet your appointment. You should instruct your appointments to go directly to the Reception Desk upon their arrival at the Crown Center Hotel. They should not be encouraged to report to any other area of the hotel. You will be notified when your appointment has arrived, and your appointment will be escorted to the location you request.

If you are running late, your appointment will be taken to the Hospitality Suite on the 5th floor. When you are ready, please call the Appointments Desk and an escort will take him to the appropriate place.

If you desire an escort to take your guests to the lobby following the appointment, please call the Appointments Desk.

FUNCTION ROOM SCHEDULING

Anyone wishing to schedule an activity in one of the Function Rooms should also go through the Appointments Desk since these rooms are serving many different purposes. You will need to give the size, time and place of the meeting, and the physical and social arrangements expected (furniture set-up, hostesses required, etc.). You cannot assume that you will have the use of a Function Room unless your particular function has been logged in on the Appointments Calendar.

It may be necessary for a list of the names of attendees to be provided in advance for certain events. Please check with the Appointments Desk concerning such lists.

The Appointments Desk and Reception Desk will be in operation 24 hours a day from August 12th through August 19th.

HOSPITALITY SUITE

Hospitality Suites are located on the 5th floor of the Crown Center Hotel. To schedule use of the Hospitality Suite, contact the Appointments Desk on REPEX extension 3394. The person requesting the room is required to give the same information as listed in the section under Function Rooms.

SECURITY

We are sure you understand the need for security precautions during our stay at the Crown Center Hotel and request your full cooperation. The hotel itself will remain open to the public, and you may therefore expect a crowded hotel situation, rather than closed, as at previous conventions. There will be 5 secured areas in the hotel, each of which has an identifiable security access badge. Access is cleared on a graduated basis (a pass which grants access to a higher area also grants access below that level).

An integral part of the system is the function of the lobby reception area, Appointments Desk and escort personnel. Any individual making an appointment must properly instruct the person coming into the hotel on the procedure involved (for detailed discussion, see sections on reception, appointments and escort functions).

Security access will be handled as follows:

- 1) A photo ID will be given to persons operating the reception desk, motor pool, and other areas where no contact above the second floor level is necessary.
- 2) A green photo ID will be issued to those who need access to the administrative offices for the convention operations. Most visitors will not have need to go above the 3rd floor level, nor will most staff.
- 3) A red badge is granted to those who are attending PFC Finance Office or hospitality functions, delegates and other VIP guests in the lounge, and some secured sleeping areas. Those bearing green photo ID's will also be granted access to the fifth as well as the third floor.
- 4) A blue photo ID limits access to the 17th floor. The integrity of the White House wing of the 17th floor and the PFC/Political wing of the 17th floor will be maintained. People desiring automatic access to the political wing will require special clearance signified by a separate marking on their blue pass upon the approval of the Convention Operations Director. Please respect the privacy of this area.
- 5) 18th floor. Access to the 18th floor will be granted only by the Secret service. Normal White House pins will be honored. Other holders of blue passes will be admitted to the 18th floor only if their name is on the access list. The access list will be maintained by Larry Eastland at REPEX extension 3380.
- 6) Sleeping floors 12 thru 16 will not require photo ID for access. Therefore, rooms should be locked and all papers secured.

For those who have not obtained a photo ID or for those whose photo ID is insufficient for current assignments, photo ID's will be issued on the 2nd floor in the East Garage Wing.

Each person is responsible for his ID. The integrity of the security system is harmed if you lose your ID.

A volunteer messenger will be dispatched to carry envelopes and messages to any office or room within the Crown Center complex or to any other location within walking distance. Should you require a messenger for greater distances, the same procedure should be followed. However, it is the requester's responsibility to coordinate the messenger's transportation to and from the remote location.

PAGING

A large number of individuals have been assigned pageboys to assist in getting important and immediate messages to them. If you have a message (in the important and immediate category) call the Radio Room at REPEX extension 3671 and request that the desired individual be paged.

INSIDE MAIL SERVICE

Inter-office mail will be distributed on a routine basis approximately every two hours each day. In each office is located a plainly-marked pick-up and delivery location. Envelopes and packages for persons located within the Crown Center will be expeditiously handled through this inside mail delivery system.

DUPLICATION SERVICE

Located in the Crown Center are a number of Xerox copiers. A Key Operator for emergency service can be located by calling Mickie Cleary or Joan Wilson on REPEX extension 3310. A duplicating center is located in the Liberty Room.

BULK PRINTING

Bulk printing will be accomplished with the use of a Xerox 4500 located in the Liberty Room. Service requests should be directed to Mickie Cleary or Joan Wilson on REPEX extension 3310. You should allow for a 45-minute delay in the arrival of the machine operator. A Xerox 3100 is located in the same area.

CABINET SUPPORT OFFICE

A Cabinet Support Office has been established in the Senator's Board Room on the Fifth Floor of the Crown Center Hotel. The Cabinet Support Office will be staffed with secretaries who will work under the direction of Mary Fisher. Members of the Cabinet and their personal staff should direct their questions and special needs to this office on REPEX extension 3339.

TICKETS

Information regarding tickets for the Convention sessions and other events should be directed to Ginger Nuessle on REPEX extension 3332, or via inter-office mail. The office is located in the Liberty Room on the 3rd Floor. Unfortunately, the number of tickets available is limited; however, we will make every effort to get staff members to at least one session. You will be notified when the distribution of tickets has been determined.

PRESS OPERATION

Offices for White House and President Ford Committee press personnel are located in the Roanoke Room. News service tickers are also located in the Press Office area. In the Century Ballroom, a press briefing and conference room provides facilities for representatives of the radio, television and printed media. Various press conferences are planned for this room complimenting activity at the Kemper Arena and other hotels, and periodic news briefings will be held as occasion demands.

Media representatives have been issued passes by the Republican National Committee. At the Crown Center Hotel, these passes give them access to the Century Ballroom and the Multimedia Forum (August 12th thru 14th) only. Elsewhere in the hotel they must be credentialed like any other guest and/or be escorted by a credentialed staff member.

We should recognize that the media are the eyes and ears of the American people, and their representatives should be treated with proper courtesy.

TRANSPORTATION

Please remember that all of the motor pool drivers are volunteers and will try to provide the best service possible. The number of cars available to us is limited, and it is possible that in peak periods some delays will occur. We hope you will be understanding, and be assured that we will do our utmost to fulfill your needs.

1) All requests for vehicles (automobiles and buses) should be made by calling the Transportation Control Area located on the Second Floor, East Wing in the Crown

Center Hotel, REPEX extension 3400. If you receive a busy signal, please hang up and try again within 30 seconds.

2) There will be "A" and "B" lists of persons authorized to utilize the motor pool.

3) No one may keep a car waiting on the ground for more than 30 minutes. All drivers are instructed to leave after the 30 minute period.

4) No cars will be authorized to take passengers to Kemper Arena. Persons going to Kemper Arena must use the shuttle bus which departs every 30 minutes (see no. 17).

5) Business use of automobiles will be given priority at all times over personal use.

6) Cars should be ordered by the person who wishes to use them.

7) Passengers should recognize the need to give clear instructions to the dispatcher. These instructions should not be altered when you get to the car, as drivers are instructed to follow the guidelines of the dispatcher, not the passenger.

8) Transportation will be available 24 hours daily beginning August 12th.

9) The request for transportation and any special instructions should be given to the dispatcher.

10) Please speak up to the dispatchers as they are seated in an area with heavy traffic and, as a result, the noise level is quite high.

11) Transportation from the Crown Center Hotel will depart, unless otherwise specified, from the Motor Pool Area located in the Crown Center Garage (orange zone parking). See Appendix 1.

12) At that point, the driver will announce that the vehicle is ready for "Mr. or Mrs. ____" or for whomever the vehicle has been requested.

13) It is hoped that transportation will be ready within 5 minutes from receipt of the request for a vehicle. Obviously, there may be occasional delays, particularly during peak periods of transport of personnel.

14) If, for any reason, you find you cannot be at the departure point within 5 minutes, or if you must cancel the request, please call the Transportation Control Area and inform the dispatcher.

15) When possible, please try to travel in groups -- DOUBLE UP! We are operating on limited resources.

16) Please make requests for transportation as early as possible. For example, if you know in the morning that you will need a vehicle in the afternoon, make the request in the morning. DO NOT DELAY IN MAKING TRANSPORTATION REQUESTS.

17) SHUTTLE BUS. There will be a shuttle bus system between the Crown Center Hotel and the Kemper Arena. A bus will leave the Crown Center from the East Side entrance on Grand Avenue every half hour beginning 2 hours before a session. A bus

will leave the Kemper Arena from the parking lot every half hour for 2 hours following a session. Each Shuttle Bus will be plainly marked.

18) Any other requests for buses should be made by calling the Transportation Control Area.

19) Dallas Simmons on REPEX extension 3326 is the Director of Transportation.

SPOUSES

Spouses will be credentialed with green VIP badges, except for those with sleeping rooms on the 17th and 18th floors, and do not have to be escorted through the secure areas in the hotel. Spouses are entitled to open mess privileges.

MEDICAL

Should you have any medical needs, please contact the Convention Administration Office on extension 3310 and ask for Joan Cole. If she is unavailable, please call the hotel operator who will assist you.

TELEPHONE SERVICE

1) PRESIDENT FORD COMMITTEE PHONES -- MAIN NUMBER IS 467-3673 (GOP-FORD)

A special President Ford Committee telephone system called REPEX has been designed to permit direct inter-office dialing between REPEX stations and also direct inward and outward dialing between REPEX stations and outside lines. This system is similar to "Centrex Service" with which many of you are familiar.

President Ford Committee phones are identified by color dots and are at all offices and some sleeping rooms. It is essential that the PFC directory be used for direct dialing other REPEX numbers in order to free our operators to handle other calls. Outside calls may be accomplished by first dialing "9" and then the 7 digit number.

When you are away from the Crown Center Hotel, direct dialing in to a REPEX station is accomplished by dialing the prefix 467 and then the four digit number.

2) HOTEL PHONES

To call most sleeping rooms, you will have to use the regular hotel phones and switchboard. Inside the Crown Center, ask the Hotel Operator for the room number you desire. Outside the Crown Center, dial the switchboard (474-4400) and ask for the room number. To get an outside line on the hotel phones, dial "9". Do not ask the

Crown Center operator to connect you with the REPEX system, as she will not comply. Simply dial "9" for an outside line, and then dial the 467 prefix and the four digit REPEX number you desire. To reach the WHCA switchboard on a hotel phone, dial the Crown Center operator and ask for the White House switchboard.

3) PRIVATE PHONES

Some offices and individuals have direct outside lines in addition to the REPEX and hotel system. These may be used just as any other regular business line. They should be used and the numbers given out with discretion. They are primarily to be used should any troubles be experienced with the normal REPEX service.

4) WHITE HOUSE PHONES (WHCA)

Those officials who are authorized White House phones will be provided personalized service by the White House Communications Agency. By lifting the WHCA receiver, an operator will answer and you may place your call.

5) LONG DISTANCE

All personnel who are on the authorized long distance access list may place long distance calls on the REPEX system by dialing "0". Upon approval by the switchboard supervisor, the Operator will place the call for the individual.

Personal long distance calls should be placed over the hotel system by simply dialing "8" for the long distance operator. You will be expected to pay for these toll calls.

6) DIRECTORY INFORMATION

A directory for all President Ford Committee numbers is included. It is in two parts: 1) the functional directory, for locating key campaign, administrative and line functions by locations and phone numbers; and 2) the alphabetical directory which identifies the names and locations by both working and sleeping areas and their associated numbers. All Committee personnel housed at the Crown Center Headquarters will be listed. Should you have questions, please call the information and locators on REPEX extension 3300.

7) INFORMATION AND LOCATORS

This function will provide typical information assistance for the President Ford Committee's Crown Center Headquarters operation, as well as other locations in Kansas City. The locators will assist you in determining the location of Presidential Headquarters personnel both day and night. They can also be a valuable assistance in forwarding important calls to individuals attending key functions. They may be reached on REPEX extension 3603. Their assistance is only as valuable as the information you provide them.

8) SUMMARY OF YOUR TELEPHONE SYSTEM (REPEX)

General Information

Your REPEX provides four digit dialing capability within the President Ford Committee system, call transfers and 3 station conferencing, as well as call forwarding (see Features section). You cannot four digit dial to the Republican National Committee system or any other outside station without first dialing "9" and the seven digits. Should you require training or have questions, please call our operator on REPEX extension 3673 and she will be happy to assist you. Report all troubles on REPEX extension 3673.

Incoming Calls

Outside callers can reach you by dialing 467 plus your 4 digit extension number.

Extension to Extension

All extensions in your system can be reached by dialing the four digit telephone number assigned to that person or work area. Check your directory for extension numbers. If you cannot find an extension number, call the Information/Message Desk at 3300.

FINANCING CONVENTION EXPENSESFROM: STAN ANDERSON, PFC CONVENTION
DIRECTOR

Federal statutes prescribe a maximum legal amount that a candidate can spend to seek the nomination for President of the United States. This funding limitation covers expenses for the entire primary period including expenses of The President Ford Committee at the Kansas City Convention. To exceed this spending limitation is a Federal criminal offense. At the present time, the balance of this limitation available for expenditure by The President Ford Committee is extremely limited.

For this reason, we have no alternative but a strict central management of convention expenditures. All convention expenditures, including personal expenses, must be authorized and approved before they are incurred or a commitment is made. This authorization must be provided by your Department Head or the Convention Director and approved by the Controller. Please understand that it may be extremely difficult to get approval for proposed expenditures, regardless of their importance, if they are not in the Convention budget plan; and it may not always be possible to approve items that are in the budget.

All convention expenditure requests on commitment requests must be in written form with the proper authorization before they will be approved by the Controller.

The President Ford Committee will not be liable for any expense or commitment which was not properly authorized before incurred. Personal expenses with respect to the convention will not be reimbursed if they were not properly authorized in advance.

These procedures apply to everyone working on the convention. Only the Campaign Chairman or the Treasurer can approve an exception.
