THE CHIEF OF PROTOCOL  
DEPARTMENT OF STATE  
WASHINGTON

January 22, 1976

MEMORANDUM FOR THE PRESIDENT AND MRS. FORD

Subject: Official Gift Exchange during the Visit of  
His Excellency the Prime Minister of Israel  
and Mrs. Rabin, January 27, 1976.

Although we have not been able to determine what the items will be, we do understand that the Prime Minister and Mrs. Rabin will be prepared for an official exchange of gifts. I would like to suggest that the President present to the Prime Minister a color photograph, taken during one of their meetings in the President's office, in a Presidential frame with the following inscription:

"To His Excellency Yitzhak Rabin  
Prime Minister of Israel

With best wishes,

Gerald R. Ford  
January 1976"

And I would suggest that Mrs. Ford present to Mrs. Rabin a scarf, designed by Frankie Welch for her use.

As the official gift to be presented to the Prime Minister and Mrs. Rabin, Mr. Malcolm Moran would like to donate one of his sculptures for your use. The piece that Mr. Moran has selected depicts an amethyst and bronze boy with a group of birds in flight. This new sculpture is 12" high and is mounted on a polished redwood base. This would especially be appropriate since the Prime Minister and Mrs. Rabin will see his work as centerpieces during the State Dinner given in their honor.

MEMORANDUM FOR THE PRESIDENT AND MRS. FORD

Subject: Official Gift Exchange during the Visit of  
His Excellency the Prime Minister of Israel  
and Mrs. Rabin, January 27, 1976.

Although we have not been able to determine what the items will be, we do understand that the Prime Minister and Mrs. Rabin will be prepared for an official exchange of gifts. I would like to suggest that the President present to the Prime Minister a color photograph, taken during one of their meetings in the President's office, in a Presidential frame with the following inscription:

"To His Excellency Yitzhak Rabin  
Prime Minister of Israel

With best wishes,

Gerald R. Ford  
January 1976"

And I would suggest that Mrs. Ford present to Mrs. Rabin a scarf, designed by Frankie Welch for her use.

As the official gift to be presented to the Prime Minister and Mrs. Rabin, Mr. Malcolm Moran would like to donate one of his sculptures for your use. The piece that Mr. Moran has selected depicts an amethyst and bronze boy with a group of birds in flight. This new sculpture is 12" high and is mounted on a polished redwood base. This would especially be appropriate since the Prime Minister and Mrs. Rabin will see his work as centerpieces during the State Dinner given in their honor.
