OFFICE OF THE VICE PRESIDENT  
WASHINGTON

Carolyn,

I have just gotten this new print back from the photo lab. I would appreciate it if you would again ask Mrs. Ford if she would be so kind as to sign it on the right side. I would like to have Mr. Ford sign it in the middle if you could arrange that for me, leaving enough space so that Flip can sign it on the left.

You needn't hurry as I will be out of town for the holidays. If possible, however, I would like to have it back by the week of January 5th.

Could you also supply me with Flip's address so that I may also send it out to him?

Thanks a million - have a happy holiday.

Karen
