Happy Birthday Mom!

In all the excitement of engagement and planning for our future together, you can bet that Cayle and I did not forget about your Big Day. With all of the many things you are busy with, I won't doubt that you would forget your own birthday. But this April 8th, I want you to know how much I love you, and how blessed I feel to have such a wonderful Mom as you!

Be good and know that you are in my thoughts and prayers.

Love,
Mike
