Christmas Greetings

Two things upon this restless earth
Can neither change nor end;
The splendor of Christ's humble birth,
The love of friend for friend

I get tired just reading about
your travels. Jerry the most
common advice I'm given to
relay to you is: "Tell Pres Ford
to stay in Washington and do
the best he can in these difficult
times and we will vote for him."
My answer always is: "I don't tell
the President of the United States what
to do. He is his own man and does
what he considers right & proper."
I'm not a very good politician, you see.

We love the Washington Camp Cap and
are also so very proud of the pictures
we received when you were in Minneapolis.
You both are so very considerate.

Everyone is fine here. Jim flies home 12/18
Bon & Chas will stay in Denver.
We head for Florida 4/12-4/15 then fly to
Phoenix 4/15-4/1
Have a wonderful Christmas Love/Bills

May every happiness
be yours
at this loveliest
of seasons.
