MEMORANDUM FOR: PHILIP BUCHEN

FROM: DOUGLAS P. BENNETT *DPB*

SUBJECT: Waivers of Security and  
Conflict of Interest Review

Due to arising staff changes at the White House, we would like to announce the President's intention to nominate Stanley S. Scott as Assistant Administrator for Africa, Agency for International Development (a Level IV, PAS position) as soon as possible, assuming that the President has by that time made a decision on the nomination.

As you are aware, Mr. Scott has been on the White House staff for a number of years, and I believe the risk in waiving the normal clearance procedures for the purpose of announcement is only negligible.

I, therefore, request that you waive the security and conflict of interest review for announcement purposes only.

MEMORANDUM FOR

DAVID F. MATHEWS  
SECRETARY OF HEALTH,  
EDUCATION AND WELFARE

This is to confirm my understanding of the fact that, prior to your appointment today as Secretary of Health, Education and Welfare, you have severed completely any financial relationship with the University of Alabama, save your continued participation in the University's insurance and retirement plans solely at your own expense.

Further, pursuant to the authority conferred by 18 U.S.C. 208(b), I have determined that your continued participation in such plans does not constitute an interest so substantial as to be deemed likely to affect the integrity of the services which the Government may expect from you as the Secretary of Health, Education and Welfare relevant to official matters which may affect the University of Alabama to the same extent that they may affect other universities and colleges in general.

MEMORANDUM FOR: PHILIP BUCHEN

FROM: DOUGLAS P. BENNETT *DPB*

SUBJECT: Waivers of Security and Conflict  
of Interest Review

At the press briefing today the President plans to announce his intention to nominate Judith T. Connor as Assistant Secretary of Transportation for Environment Safety and Consumer Affairs.

As you know, all prospective candidates for Presidential Appointments (PA or PAS) must undergo both a security investigation and a conflict of interest review as a pre-condition to announcement.

At this time, these reviews are not yet complete on Mrs. Connor. Regardless of the waiver for announcement purposes, we will proceed to process both in the usual manner.

I, therefore, request that you waive the security and conflict of interest review as a pre-condition to the announcement of Judith T. Connor as Assistant Secretary of Transportation.

Jim Connor requested the attached waiver (for purposes of announcement) of conflicts and security on Jeanne Holm, who will be Special Assistant to the President for Women.

I see no problem in your granting approval of the request. Jeanne retired recently as a Major General in the Army and thus has received the highest levels of clearance. Additionally, I have spoken with her regarding her personal financial situation and have been advised that her only holdings are in mutual funds which do not raise any possibility of a conflict.

Connors has asked that the waiver be made available today.

Appointments to the FEC

As we discussed, I approve the waiver of background investigations and personal data statements for the following members of the new Federal Election Commission:

William L. Springer  
Neil Staebler  
Vernon W. Thompson  
Thomas E. Harris  
Joan D. Aikens  
Robert O. Tiernan

With the exception of Mr. Springer, the above persons have served as members of the Federal Election Commission for the past year and were previously approved by both the House and the Senate. Mr. Springer was the subject of a background investigation prior to appointment and confirmation by the Senate in 1973 for membership on the Federal Power Commission. The Special Prosecutor has orally advised that he has no information which would be relevant to the proposed appointment of Mr. Springer. The FEC General Counsel also advised a member of my staff that financial data statements are filed by Commission members with the Chairman of the CSC in accordance with E.O. 11222. In view of the unique nature of these appointments, and in order to avoid even the appearance of Administration pressure on the FEC, our customary checks are unnecessary. However, this waiver is intended only for this particular situation and should not be considered for future appointments.

As you requested, attached is the waiver, approved by Ed Schmults, to permit the announcement of the nomination of ten individuals to be Members of the Board of Directors of the National Center for Productivity and Quality of Working Life.

We are in the process of completing the background investigation for these persons. Nothing to date has been indicated that would disqualify any of these persons from consideration and, accordingly, waiver for announcement purposes should cause no problems. These individuals have not yet been able to return their Personal Data Statements, however, the nature of the position is such that any problems will be solved by the individual's recusal from matters in which he has an interest. You should be aware that extensive recusal by Members of the Board may be necessary.
