MEMORANDUM FOR: PHIL BUCHEN

FROM: BOBBIE GREENE KILBERG

SUBJECT: George F. Murphy, Jr., to be
Nominated as a Member of the
Nuclear Regulatory Commission

I recommend that you sign Doug Bennett's request for a security clearance waiver for the purposes of announcement and nomination of George Murphy to be a member of the Nuclear Regulatory Commission. Murphy is presently Executive Director of the Joint Congressional Committee on Atomic Energy.

When he joined the CIA in 1950, Mr. Murphy was the subject of a full field clearance by the FBI. When he joined the Joint Committee on Atomic Energy in 1958, he was the subject of another full field FBI clearance. Approximately 5 years ago he received a CIA special intelligence "Q" clearance. Mr. Murphy has daily access to top secret information in his present job.

I asked Mr. Murphy whether he had paid all his Federal, state and local taxes in every year in which he earned income. The answer was "yes". He reported that he has no tax liens outstanding and that there are no IRS proceedings pending against him. He reports that he has never been the subject of any investigation by the Special Prosecutor's office.
